APPEAL 14A-UI-12424-LT

ADMINISTRATIVE LAW JUDGE DECISION

IOWA WORKFORCE
DEVELOPMENT DEPARTMENT

OC: 12/08/13

Claimant: Appellant (2)

Iowa Code § 96.6(1) – Filing Claims Iowa Admin. Code r. 871-24.2(1)a & h(1) & (2) – Backdating

STATEMENT OF THE CASE:

Claimant filed a timely appeal from the November 26, 2014 (reference 01) decision that denied the request to backdate the claim for benefits prior to November 23, 2014. After due notice was issued, a hearing was scheduled to be held by telephone conference call on December 29, 2014. No hearing was held as there was sufficient evidence in the appeal letter and administrative record to resolve the matter without testimony.

ISSUE:

Should the claim be backdated prior to November 23, 2014?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for benefits with an effective date of December 8, 2013 with an additional claim effective November 23, 2014; and has presented good cause to backdate the claim to November 16, 2014 because he does not live near a local office, his home internet was not functional and the local library was closed when he sought to file the additional claim. He was unable to obtain assistance by telephone during the same week.

REASONING AND CONCLUSIONS OF LAW:

The administrative law judge concludes the claimant's request to backdate the claim is granted.

Iowa Admin. Code r. 871-24.2(1)h(1), (2) and (3) provide:

Procedures for workers desiring to file a claim for benefits for unemployment insurance.

- (1) Section 96.6 of the employment security law of lowa states that claims for benefits shall be made in accordance with such rules as the department prescribes. The department of workforce development accordingly prescribes:
- h. Effective starting date for the benefit year.

- (1) Filing for benefits shall be effective as of Sunday of the current calendar week in which, subsequent to the individual's separation from work, an individual reports in person at a workforce development center and registers for work in accordance with paragraph "a" of this rule.
- (2) The claim may be backdated prior to the first day of the calendar week in which the claimant does report and file a claim for the following reasons:

Backdated prior to the week in which the individual reported if the individual presents to the department sufficient grounds to justify or excuse the delay;

There is scheduled filing in the following week because of a mass layoff;

The failure of the department to recognize the expiration of the claimant's previous benefit year;

The individual is given incorrect advice by a workforce development employee;

The claimant filed an interstate claim against another state which has been determined as ineligible;

Failure on the part of the employer to comply with the provisions of the law or of these rules:

Coercion or intimidation exercised by the employer to prevent the prompt filing of such claim;

Failure of the department to discharge its responsibilities promptly in connection with such claim, the department shall extend the period during which such claim may be filed to a date which shall be not less than one week after the individual has received appropriate notice of potential rights to benefits, provided, that no such claim may be filed after the 13 weeks subsequent to the end of the benefit year during which the week of unemployment occurred. In the event continuous jurisdiction is exercised under the provisions of the law, the department may, in its discretion, extend the period during which claims, with respect to week of unemployment affected by such redetermination, may be filed.

(3) When the benefit year expires on any day but Saturday, the effective date of the new claim is the Sunday of the current week in which the claim is filed even though it may overlap into the old benefit year up to six days. However, backdating shall not be allowed at the change of the calendar quarter if the backdating would cause an overlap of the same quarter in two base periods. When the overlap situation occurs, the effective date of the new claim may be postdated up to six days. If the claimant has benefits remaining on the old claim, the claimant may be eligible for benefits for that period by extending the old benefit year up to six days.

Claimant has presented good cause to backdate the claim to November 16, 2014 because he did not have reasonable access to the internet for the online claim process and he was unable to obtain assistance by telephone during the same week. Backdating is allowed.

DECISION:

The November 26, 2014 (reference 01) decision is reversed. The claimant's request to backdate the claim to November 16, 2014 is granted, as are the retroactive benefits for the same time period.
