**ADMINISTRATIVE LAW JUDGE
DECISION**

GENESIS HEALTH SYSTEM
Employer

OC: 06/01/14
Claimant: Appellant (4)

Section 96.5-1 a – Voluntary Leaving – Other Employment

STATEMENT OF THE CASE:

The claimant filed a timely appeal from the July 2, 2014, reference 01, decision that denied benefits. After due notice was issued, a hearing was held by telephone conference call before Administrative Law Judge Julie Elder on August 4, 2014. The claimant participated in the hearing. The employer did not respond to the hearing notice by providing a phone number where it could be reached at the date and time of the hearing as evidenced by the absence of a name and phone number on the Clear2There screen showing whether the parties have called in for the hearing as instructed by the hearing notice. The employer did not participate in the hearing or request a postponement of the hearing as required by the hearing notice.

ISSUE:

The issue is whether the claimant voluntarily left her employment to accept employment elsewhere.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant was employed as a full-time medical transcriptionist for Genesis Health System from June 19, 2000 to January 23, 2014. Continued work was available. The claimant left employment with Genesis to accept other employment at Pierson Group and performed services for that employer.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant voluntarily left her employment to accept employment elsewhere.

Iowa Code section 96.5(1)a provides:

An individual shall be disqualified for benefits:

1. Voluntary quitting. If the individual has left work voluntarily without good cause attributable to the individual's employer, if so found by the department. But the individual shall not be disqualified if the department finds that:

a. The individual left employment in good faith for the sole purpose of accepting other or better employment, which the individual did accept, and the individual performed services in the new employment. Benefits relating to wage credits earned with the employer that the individual has left shall be charged to the unemployment compensation fund. This paragraph applies to both contributory and reimbursable employers, notwithstanding § 96.8, subsection 5.

Even though the separation was without good cause attributable to the employer and would, standing alone, disqualify the claimant from receiving benefits, the claimant did leave in order to accept other employment and did perform services for the subsequent employer. Accordingly, benefits are allowed and the account of Genesis Health System shall not be charged.

DECISION:

The July 2, 2014, reference 01, decision is modified in favor of the appellant. The claimant voluntarily left her employment in order to accept other employment. Benefits are allowed, provided the claimant is otherwise eligible. The account of this employer shall not be charged.
