SECTION: 96.5-2-A, 96.3-7

DECISION

UNEMPLOYMENT BENEFITS ARE DENIED

The claimant appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. With the following modification, the administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED** with the following **MODIFICATION**:

The Employment Appeal Board would modify the administrative law judge's Reasoning and Conclusions of Law to reflect that this case could also be analyzed as a voluntary quit without good cause attributable to the employer as follows:

871 IAC 24.25(16) provides:

Voluntary quit without good cause. In general, a voluntary quit means discontinuing the employment because the employee no longer desires to remain in the relationship of an employee with the employer from whom the employee has separated. The employer has the burden of proving that the claimant is disqualified for benefits pursuant to Iowa Code section 96.5...

The claimant is deemed to have left if such claimant becomes incarcerated.

The claimant submitted a written argument to the Employment Appeal Board. The Employment Appeal Board reviewed the argument. A portion of the argument consisted of additional evidence which was not contained in the administrative file and which was not submitted to the administrative law judge. While the argument and additional evidence were considered, the Employment Appeal Board, in its discretion, finds that the admission of the additional evidence is not warranted in reaching today's decision.
