APPEAL NO. 17A-UI-06633-B2T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE DEVELOPMENT
DEPARTMENT**

OC: 05/21/17
Claimant: Appellant (2)

Section 96.3-7 – Recovery of Overpayment of Benefits

STATEMENT OF THE CASE:

Claimant appealed a representative's decision dated June 21, 2017, reference 04, that concluded claimant was overpaid unemployment insurance as a result of a disqualification decision. A hearing was scheduled and held on July 18, 2017 pursuant to due notice. Claimant did participate.

ISSUE:

Whether claimant is overpaid unemployment insurance benefits.

FINDINGS OF FACT:

The administrative law judge, having considered all of the evidence in the record, finds that: The overpayment issue in this case was created by a ruling claimant was improperly paid unemployment benefits. Claimant was deemed to have been overpaid \$847.00 for the two weeks ending June 3, 2017.

It was determined in case 17A-UI-06632-B2 that claimant was to have vacation pay deducted from one week of benefits. Claimant's weekly benefit amount is \$464.00. Claimant had a complete offset of his benefit week ending June 24, 2017 unemployment payment. Although applied weeks after the separation, said offset appears to be appropriate. Claimant also had an offset of \$383.00 for the benefit week ending July 1, 2017. Said offset was inappropriate as claimant was to have all vacation pay offset from one week of unemployment benefits as employer did not designate a time period to which the vacation pay was to be applied.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code § 96.3(7)a-b, as amended in 2008, provides:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) (a) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5. The employer shall not be relieved of charges if benefits are paid because the employer or an agent of the employer failed to respond timely or adequately to the department's request for information relating to the payment of benefits. This prohibition against relief of charges shall apply to both contributory and reimbursable employers.

(b) However, provided the benefits were not received as the result of fraud or willful misrepresentation by the individual, benefits shall not be recovered from an individual if the employer did not participate in the initial determination to award benefits pursuant to section 96.6, subsection 2, and an overpayment occurred because of a subsequent reversal on appeal regarding the issue of the individual's separation from employment.

(2) An accounting firm, agent, unemployment insurance accounting firm, or other entity that represents an employer in unemployment claim matters and demonstrates a continuous pattern of failing to participate in the initial determinations to award benefits, as determined and defined by rule by the department, shall be denied permission by the department to represent any employers in unemployment insurance matters. This subparagraph does not apply to attorneys or counselors admitted to practice in the courts of this state pursuant to section 602.10101.

The administrative law judge concludes that claimant was not overpaid unemployment insurance benefits in the amount of \$847.00 for the two weeks ending June 3, 2017, pursuant to Iowa Code section 96.3-7 as the disqualification decision that created the overpayment decision has now been reversed. Claimant's amounts paid have been offset, and the appropriate offset is discussed in 17A-UI-06632-B2. Claimant has received no overpayment.

DECISION:

The decision of the representative dated June 21, 2017, reference 04, is reversed. Claimant was not overpaid unemployment insurance benefits in the amount of \$847.00.
