Iowa Code § 96.4(3) – Ability to and Availability for Work  
Iowa Admin. Code r. 871-24.23(10) – Able & Available – Availability Disqualifications

**STATEMENT OF THE CASE:**

The claimant filed an appeal from the February 10, 2021, (reference 02) unemployment insurance decision that denied benefits. The parties were properly notified about the hearing. A telephone hearing was held on April 22, 2021. Claimant participated personally. Employer participated through Jessica Wade.

**ISSUES:**

Is the claimant able to and available for work?  
Is the claimant on a voluntary leave of absence?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant began working for employer on August 24, 2015. At the end of her employment she was a cashier working part time. She missed work in September and October 2020 but using available paid leave. Claimant indicated to the employer that she was unable to return due to a lack of childcare. On November 5, 2020 she was placed on unpaid leave of absence. Eventually claimant was given two weeks to return to work as her unpaid leave of absence was being ended. Claimant failed to return to work due to a lack of childcare. The employer had work available

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes that the claimant is not able to work and available for work effective November 5, 2020.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.23(10) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

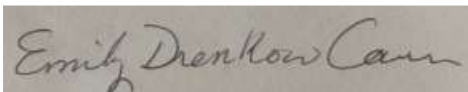

(10) The claimant requested and was granted a leave of absence, such period is deemed to be a period of voluntary unemployment and shall be considered ineligible for benefits for such period.

Here, claimant was on a leave of absence due to a lack of childcare. Claimant has not established she is able to and available for work, even under the United States Department of Labor's guidance to flexibly interpret this requirement. See Unemployment Insurance Program Letter No. 10-20. Therefore, claimant is not eligible for regular, state-funded unemployment insurance benefits from the effective date of her claim.

Even though claimant is not eligible for regular unemployment insurance benefits under state law, she may be eligible for federally funded unemployment insurance benefits under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"), Public Law 116-136. Section 2102 of the CARES Act creates a new temporary federal program called Pandemic Unemployment Assistance (PUA) that in general provides up to 39 weeks of unemployment benefits. An individual receiving PUA benefits may also receive the \$600 weekly benefit amount (WBA) under the Federal Pandemic Unemployment Compensation (FPUC) program if he or she is eligible for such compensation for the week claimed.

**DECISION:**

The February 10, 2021, unemployment insurance decision is affirmed. The claimant is not available for work effective November 5, 2020, and regular, state-funded unemployment insurance benefits are denied.
