(Decision Dated & Mailed)

Iowa Code §96.4(3) - Able and Available

STATEMENT OF THE CASE:

Claimant filed a timely appeal from the April 4, 2005, reference 03, decision that denied benefits. After due notice was issued, a hearing was held on May 3, 2005. Claimant did participate.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant was medically released to return to work on April 25, 2005.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant is able to work and available for work

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

871 IAC 24.22(1)a provides:

Benefits eligibility conditions. For an individual to be eligible to receive benefits the department must find that the individual is able to work, available for work, and earnestly and actively seeking work. The individual bears the burden of establishing that the individual is able to work, available for work, and earnestly and actively seeking work.

(1) Able to work. An individual must be physically and mentally able to work in some gainful employment, not necessarily in the individual's customary occupation, but which is engaged in by others as a means of livelihood.

a. Illness, injury or pregnancy. Each case is decided upon an individual basis, recognizing that various work opportunities present different physical requirements. A statement from a medical practitioner is considered prima facie evidence of the physical ability of the individual to perform the work required. A pregnant individual must meet the same criteria for determining ableness as do all other individuals.

Inasmuch as the treating physician has released the claimant to return to work, benefits are allowed.

DECISION:

The representative's decision dated April 4, 2005, reference 03, is modified in favor of the appellant. The claimant is able to work and available for work effective April 25, 2005. Benefits are allowed, provided the claimant is otherwise eligible.
