Iowa Code § 96.3(7) - Recovery of Benefit Overpayment

**STATEMENT OF THE CASE:**

The claimant appealed the March 6, 2018, (reference 06) decision that concluded the claimant was overpaid unemployment insurance benefits in the amount of \$666.00 for the four-week period ending February 24, 2018, as a result of a disqualification decision. A telephone hearing was held on April 27, 2018, pursuant to due notice. The claimant participated. The administrative law judge took official notice of the administrative record.

**ISSUE:**

Is the claimant overpaid benefits?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: The overpayment issue in this case was created due to Iowa Workforce Development releasing benefits to the claimant in error. Benefits were released to the claimant after she attended a Reemployment Assessment. However, her claim should have remained locked based on a disqualification decision following a separation that has been affirmed by an administrative law judge and the Employment Appeal Board. (See 18A-UI-01694-B2-T and 18B-UI-01694-EAB). Claimant did receive benefits in the gross amount of \$666.00.

**REASONING AND CONCLUSIONS OF LAW:**

The administrative law judge concludes claimant has been overpaid benefits for the period in question.

Iowa Code § 96.3(7) provides, in pertinent part:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) (a) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The administrative law judge concludes that the claimant has been overpaid unemployment insurance benefits in the amount of \$666.00 pursuant to Iowa Code § 96.3(7) as the disqualification decision that created the overpayment decision has been affirmed and the benefits were released to claimant in error.

**DECISION:**

The March 6, 2018, (reference 06) decision is affirmed. The claimant has been overpaid unemployment insurance benefits in the gross amount of \$666.00 to which she was not entitled and those benefits must be recovered in accordance with Iowa law.
