APPEAL 20A-UI-06447-JE-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

THE UNIVERSITY OF IOWA
Employer

OC: 03/22/20
Claimant: Appellant (1)

Iowa Code § 96.19(38)a & b – Total and Partial Unemployment
Iowa Code § 96.4(3) – Ability to and Availability for Work
Iowa Admin. Code r. 871-24.23(26) – Same Hours and Wages
Iowa Code § 96.3-7 – Overpayment
PL 116-136 Section 2104 (B) – Federal Pandemic Unemployment Compensation

STATEMENT OF THE CASE:

The claimant filed a timely appeal from a representative's decision dated June 12, 2020 (reference 01) that determined she was not partially unemployed. The claimant participated in the hearing. Jessica Wade, Human Resources Business Analyst, participated in the hearing on behalf of the employer.

ISSUES:

The issues are whether the claimant is eligible for total or partial unemployment benefits, whether the claimant is still employed at the same hours and wages, whether the claimant is able and available for work and/or whether the employer's account is subject to charge, and whether the claimant is overpaid benefits,

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds that: The claimant was hired as a part-time administrative services coordinator for The University of Iowa on July 17, 2019. There has been no change in the claimant's hours or wages at the University and her hours were not reduced due to COVID-19.

The claimant filed for unemployment insurance benefits with an effective date of March 22, 2020. Her weekly benefit amount was determined to be \$343.00. The claimant has received benefits in the amount of \$3,094.00 for the ten weeks ending June 6, 2020. She also received \$5,400.00 in Federal Pandemic Unemployment Compensation for the nine weeks ending June 10, 2020.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.19(38) provides:

"Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

In this case, the claimant is working the same number of hours and wages as contemplated in her original contract of hire and therefore cannot be considered partially unemployed with the University within the meaning of the law.

Even though the claimant is not eligible for regular unemployment insurance benefits under state law, she may be eligible for federally funded unemployment insurance benefits under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"), Public Law 116-136. Section 2102 of the CARES Act creates a new temporary federal program called Pandemic Unemployment Assistance (PUA) that in general provides up to 39 weeks of unemployment benefits. An individual receiving PUA benefits may also receive the \$600 weekly benefit amount (WBA) under the Federal Pandemic Unemployment Compensation (FPUC) program if he or she is eligible for such compensation for the week claimed. The claimant does not have to be able and available for work to be eligible for the federal unemployment programs. The claimant must apply for PUA, as noted in the instructions provided in the "Note to Claimant" below.

The next issue is whether the claimant was overpaid unemployment insurance benefits.

Iowa Code section 96.3(7)a-b, as amended in 2008, provides:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

The claimant received unemployment insurance benefits. This was during the period of time the claimant has been determined to be ineligible to receive benefits. This decision denies benefits. If this decision becomes final or if the claimant is not eligible for PUA, she may have an overpayment of benefits.

The final issue is whether the claimant is eligible for or overpaid Federal Pandemic Unemployment Compensation. The administrative law judge finds that she may be overpaid those benefits.

PL116-136, Sec. 2104 provides, in pertinent part:

(b) Provisions of Agreement

(1) Federal pandemic unemployment compensation.--Any agreement under this section shall provide that the State agency of the State will make payments of regular compensation to individuals in amounts and to the extent that they would be determined if the State law of the State were applied, with respect to any week for which the individual is (disregarding this section) otherwise entitled under the State law to receive regular compensation, as if such State law had been modified in a manner such that the amount of regular compensation (including dependents' allowances) payable for any week shall be equal to

(A) the amount determined under the State law (before the application of this paragraph), plus

(B) an additional amount of \$600 (in this section referred to as "Federal Pandemic Unemployment Compensation").

....

(f) Fraud and Overpayments

(2) Repayment.-- In the case of individuals who have received amounts of Federal Pandemic Unemployment Compensation to which they were not entitled, the State shall require such individuals to repay the amounts of such Federal Pandemic Unemployment Compensation to the State agency...

The claimant has been disqualified from receiving regular unemployment insurance benefits. She has also received Federal Pandemic Unemployment Compensation. If this decision becomes final or if the claimant is not eligible for PUA, she may have an overpayment of benefits.

DECISION:

The June 12, 2020. (reference 01) unemployment insurance decision is affirmed. The claimant is not partially unemployed with the University within the meaning of the law effective March 22, 2020. Regular unemployment insurance benefits funded by the state of Iowa are denied.

The claimant has received unemployment insurance benefits and Federal Pandemic Unemployment Compensation. This decision denies benefits. If this decision becomes final or if you are not eligible for PUA, you may have an overpayment of benefits.
