APPEAL 17A-UI-00115-DG-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

**OC: 11/13/16
Claimant: Appellant (2)**

Iowa Code § 96.4(3) - Able and Available
Iowa Admin. Code r. 871-24.2(1)e – Notice to Report
Iowa Admin. Code r. 871-24.23(11) – Failure to Report

STATEMENT OF THE CASE:

The claimant filed a timely appeal from the December 29, 2016, (reference 01) decision that denied benefits because of a failure to report as directed. After due notice was issued, a telephone conference hearing was set for January 26, 2017. Claimant participated.

ISSUE:

Did the claimant fail to report as directed or offer a good cause reason for failure to do so?

FINDINGS OF FACT:

Having heard the testimony and having examined the evidence in the record, the administrative law judge finds: On or about December 5, 2016, a notice was mailed to the claimant to report to the department on or before December 25, 2106 about her availability for work. She did report to the department by making multiple in-person visits to her local office. Claimant has been told by department representatives to not make weekly claims until enough time has ran to toll the severance pay she had received. She has been in continuous contact with the department, and has not refused to report.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the underlying issue was the result of a reporting error, and the claimant has not failed to report.

Iowa Code § 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19,

subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.2(1)e provides:

e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.

The method of reporting shall be weekly if a voice response continued claim is filed, unless otherwise directed by an authorized representative of the department. An individual who files a voice response continued claim will have the benefit payment automatically deposited weekly in the individual's account at a financial institution or be paid by the mailing of a warrant on a biweekly basis.

In order for an individual to receive payment by direct deposit, the individual must provide the department with the appropriate bank routing code number and a checking or savings account number.

The department retains the ultimate authority to choose the method of reporting and payment.

Iowa Admin. Code r. 871-24.23(11) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(11) Failure to report as directed to workforce development in response to the notice which was mailed to the claimant will result in the claimant being deemed not to meet the availability requirements.

Since claimant did visit her local office multiple times during this period, and she has followed the advice of the representatives she has spoken to, claimant has established that she has not failed to report as directed, benefits are allowed.

DECISION:

The December 29, 2016, (reference 01) unemployment insurance decision is reversed. The claimant has established that she has not failed to report as directed. The underlying issue was the result of a reporting error. Benefits are allowed effective December 25, 2016, provided she is otherwise eligible.
