DECISION

UNEMPLOYMENT BENEFITS ARE DENIED

The Claimant appealed this case to the Employment Appeal Board. The members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. The administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is AFFIRMED.

The Claimant submitted an Application to Present New or Additional Evidence to the Employment Appeal Board. The new and additional evidence was to consist of a video surveillance recording. The Claimant's request was denied because good cause was not established for why such evidence was not presented at the hearing. See 486 IAC 3.1(7).
