**APPEAL NO. 23A-UI-10210-B2T**

**ADMINISTRATIVE LAW JUDGE  
DECISION**

**IOWA WORKFORCE  
DEVELOPMENT DEPARTMENT**

**OC: 09/24/23  
Claimant: Appellant (2)**

---

Iowa Code § 96.4-3 – Able and Available

**STATEMENT OF THE CASE:**

Claimant filed an appeal from a decision of a representative dated October 23, 2023 (reference 04) which held claimant not able and available for work. After due notice, a hearing was scheduled for and held on November 15, 2023. Claimant participated personally and with David Anderson. Claimant's Exhibit A was admitted into evidence.

**ISSUES:**

Whether claimant is able and available for work?

**FINDINGS OF FACT:**

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds: Claimant last worked as an ice cream packager for employer. She was terminated on September 26, 2023. Her termination was related to absenteeism.

Prior to claimant's termination, she was on light duty work after an accident injuring her shoulder at work. Claimant was not able to lift over five pounds, was not to lift over her head, was to work only at waist level materials lines, and was to avoid using her left arm. Claimant did work with these restrictions.

Claimant stated that she is able to do cleaning jobs so long as they are within her work restriction. She stated that she would be able to do the previous jobs she had with Starboard Foods and with Tyson Foods.

**REASONING AND CONCLUSIONS OF LAW:**

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while

employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.22(1)a provides:

Benefits eligibility conditions. For an individual to be eligible to receive benefits the department must find that the individual is able to work, available for work, and earnestly and actively seeking work. The individual bears the burden of establishing that the individual is able to work, available for work, and earnestly and actively seeking work.

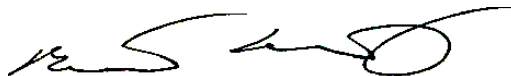

(1) Able to work. An individual must be physically and mentally able to work in some gainful employment, not necessarily in the individual's customary occupation, but which is engaged in by others as a means of livelihood.

a. Illness, injury or pregnancy. Each case is decided upon an individual basis, recognizing that various work opportunities present different physical requirements. A statement from a medical practitioner is considered prima facie evidence of the physical ability of the individual to perform the work required. A pregnant individual must meet the same criteria for determining ableness as do all other individuals.

Inasmuch as the claimant has shown the ability to work in some capacity, she has established the ability to work. Benefits shall be allowed effective September 24, 2023 as long as she is otherwise eligible for benefits.

**DECISION:**

The decision of the representative dated October 23, 2023 (reference 04) is reversed. Claimant is eligible to receive unemployment insurance benefits, effective September 24, 2023, provided claimant meets all other eligibility requirements.
