Section 96.3(7) – Overpayment of Benefits

**STATEMENT OF THE CASE:**

Ray Schleuning filed a timely appeal from the October 9, 2006, reference 02, decision that concluded he had been overpaid unemployment insurance benefits in the amount of \$1,041.00 as a result of a disqualification decision. After due notice was issued, a hearing was held on November 29, 2006 at the Dubuque Workforce Development Center. Mr. Schleuning participated. The administrative law judge took official notice of Agency's records of benefits disbursed to the claimant. The hearing in this matter was consolidated with the hearing in appeal number 06A-UI-10060-JT and the administrative law judge hereby takes official notice of the decision entered in that matter.

**ISSUE:**

Whether the claimant has been overpaid \$1,041.00 for three weeks between September 10, 2006 and September 30, 2006. He has not.

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant did in fact received benefits of \$1,041.00 for three weeks between September 10, 2006 and September 30, 2006. The overpayment issue in this case was created by a disqualification decision that has now been reversed. See appeal number 06A-UI-10060-JT.

**REASONING AND CONCLUSIONS OF LAW:**

Iowa Code section 96.3-7 provides:

7. Recovery of overpayment of benefits. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The administrative law judge concludes that the claimant has not been overpaid unemployment insurance benefits in the amount of \$1,041.00 pursuant to Iowa Code section 96.3(7) as the disqualification decision that created the overpayment decision has now been reversed.

**DECISION:**

The October 9, 2006, reference 02, overpayment decision is reversed. The claimant has not been overpaid unemployment insurance benefits in the amount of \$1,041.00.
