Iowa Code § 96.3(7) - Recovery of Benefit Overpayment

**STATEMENT OF THE CASE:**

Jessica Schoeneman (claimant/appellant) appealed the October 26, 2020 (reference 02) decision that concluded the claimant was overpaid unemployment insurance benefits in the amount of \$2,396.00 for the nine-week period between March 14 and May 16, 2020, as a result of a disqualification decision dated May 14, 2020.

A telephone hearing was held on February 3, 2021, pursuant to due notice. Claimant participated personally. The administrative law judge took official notice of the administrative record.

**ISSUE:**

Was the claimant overpaid regular, state unemployment insurance benefits?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds:

The unemployment insurance system shows claimant received benefits in the total amount of \$2,396.00 between the weeks ending March 21 and May 16, 2020. Claimant was subsequently determined to be ineligible for benefits in a decision dated May 14, 2020. That decision has now been affirmed. See 21A-UI-00144-AD-T.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons set forth below, the October 26, 2020 (reference 02) decision that concluded the claimant was overpaid unemployment insurance benefits in the amount of \$2,396.00 for the nine-week period between March 14 and May 16, 2020, as a result of a disqualification decision dated May 14, 2020 is AFFIRMED.

Iowa Code section 96.3(7) provides, in pertinent part:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) (a) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The unemployment insurance system shows claimant received benefits in the total amount of \$2,396.00 between the weeks ending March 21 and May 16, 2020. Claimant was subsequently determined to be ineligible for benefits in a decision dated May 14, 2020. That decision has now been affirmed. See 21A-UI-00144-AD-T. Because claimant received benefits in the amount of \$2,396.00 for which she was subsequently deemed ineligible, she has been overpaid benefits in that amount.

**DECISION:**

The October 26, 2020 (reference 02) decision that concluded the claimant was overpaid unemployment insurance benefits in the amount of \$2,396.00 for the nine-week period between March 14 and May 16, 2020, as a result of a disqualification decision dated May 14, 2020 is AFFIRMED.
