871 IAC 26.8(1) - Withdrawal of Appeal

**STATEMENT OF THE CASE:**

The claimant appealed a representative's December 9, 2013 determination (reference 02) that held him ineligible to receive benefits as of November 3, 2013 because he was not able work. A hearing was scheduled on January 14, 2014. On January 6, 2014, the claimant withdrew his appeal in this matter. Based on the claimant's withdrawal request, the administrative record, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

**FINDINGS OF FACT:**

The claimant withdrew his appeal from a representative's December 9, 2013 determination (reference 01). The claimant's January 6, 2014 withdrawal request was recorded.

**REASONING AND CONCLUSIONS OF LAW:**

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is recorded by the presiding officer.

The claimant's request to withdraw his appeal is approved.

**DECISION:**

The representative's December 9, 2013 determination (reference 02) is affirmed. The claimant's withdrawal request is approved. This means as of November 3, 2013, the claimant is ineligible to receive benefits. To become eligible to receive benefits, the claimant should reopen his claim and provide support that he is able to and available for work or that his doctor has released him to work.
