Iowa Code § 96.3(7) – Overpayment of Benefits
Iowa Code § 96.5(5) – Deductions
Iowa Code section 96.1A(37) – Total, Partial, Temporary Unemployment

STATEMENT OF THE CASE:

The claimant, Steve Block, filed a timely appeal from the April 26, 2022, (reference 01) unemployment insurance decision that found he had been overpaid \$493.00 for the week ending May 8, 2021. After due notice was issued, a telephone conference hearing was set for June 14, 2022. Claimant participated. The employer did not participate. Official notice was taken of the agency records.

ISSUES:

Whether the claimant failed to accurately report his wages between the week ending May 8, 2021?

Whether the claimant has been overpaid benefits?

FINDINGS OF FACT:

Having heard the testimony and having examined the evidence in the record, the administrative law judge finds:

The claimant filed for unemployment insurance benefits effective May 2, 2021. The claimant made \$19.00 per hour as a chemical beverage manager. The claimant's last day of work was on April 29, 2021.

	Earnings	Date Issued	How Paid	Benefits Paid
05/08/21	\$0000.00	05/17/21	Direct Deposit	\$493.00
05/15/21	\$1,500.00	05/17/21	Direct Deposit	\$ 00.00

The only compensation he earned from this employer occurred during the week ending May 15, 2021. The claimant was paid \$1,500.00 in his remaining paid time off balance for that week.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant properly reported his compensation and is not overpaid benefits.

Iowa Code section 96.5(5) provides:

An individual shall be disqualified for benefits, regardless of the source of the individual's wage credits:

5. Other compensation.

a. For any week with respect to which the individual is receiving or **has received payment** in the form of any of the following:

(1) **Wages in lieu of notice, separation allowance, severance pay, or dismissal pay.**

(2) Compensation for temporary disability under the workers' compensation law of any state or under a similar law of the United States.

(3) A governmental or other pension, retirement or retired pay, annuity, or any other similar periodic payment made under a plan maintained or contributed to by a base period or chargeable employer where, except for benefits under the federal Social Security Act or the federal Railroad Retirement Act of 1974 or the corresponding provisions of prior law, the plan's eligibility requirements or benefit payments are affected by the base period employment or the remuneration for the base period employment. However, this subparagraph shall only be applicable if the base period employer has made one hundred percent of the contribution to the plan.

b. Provided, that if the remuneration is less than the benefits which would otherwise be due under this chapter, the individual is entitled to receive for the week, if otherwise eligible, benefits reduced by the amount of the remuneration. Provided further, if benefits were paid for any week under this chapter for a period when benefits, remuneration or compensation under paragraph "a", subparagraph (1), (2), or (3), were paid on a retroactive basis for the same period, or any part thereof, the department shall recover the excess amount of benefits paid by the department for the period, and no employer's account shall be charged with benefits so paid. However, compensation for service-connected disabilities or compensation for accrued leave based on military service by the beneficiary with the armed forces of the United States, irrespective of the amount of the benefit, does not disqualify any individual otherwise qualified from any of the benefits contemplated herein. A deduction shall not be made from the amount of benefits payable for a week for individuals receiving federal social security pensions to take into account the individuals' contributions to the pension program.

Iowa Code section 96.1A(37) provides:

Totally unemployed", "partially unemployed", and "temporarily unemployed.

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed "partially unemployed" in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed "temporarily unemployed" if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Code section 96.3(7)a-b, as amended in 2008, provides:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, **even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered.** The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

The claimant was totally unemployed during the week ending May 8, 2021. As a result, the claimant is entitled to the benefits he received for that week.

DECISION:

The April 26, 2022, (reference 01) unemployment insurance decision is reversed. The claimant was totally unemployed the week of May 8, 2021. He was entitled to the benefits he received for that week.
