Iowa Code § 96.4(3) – Able to and Available for Work  
Iowa Code § 96.19(38)B – Partial Unemployment  
Iowa Code § 96.7(2)a(2) – Same Base Period Employment  
Iowa Code § 96.3(7) – Overpayment of Benefits  
Iowa Admin. Code r. 871-24.23(26) – Able & Available – Part time, same hours and wages  
PL 116-136 Section 2104(B) – Federal Pandemic Unemployment Compensation

**STATEMENT OF THE CASE:**

The claimant/appellant filed an appeal from the May 28, 2020 (reference 01) unemployment insurance decision that found claimant was not eligible for unemployment benefits because she was working the same hours and same wages as in her original contract of hire. The parties were properly notified of the hearing. A telephone hearing was held on October 12, 2020. The claimant, Lora S. Madole, participated personally. The employer, Hy-Vee Inc., participated through witness Jeanette Long and was represented by Barbara Buss. The administrative law judge took administrative notice of the claimant's unemployment insurance benefits records.

**ISSUES:**

Is the claimant eligible for total or partial unemployment benefits?  
Is claimant employed for the same hours and wages?  
Is the claimant able to and available for work?  
Is the employer's account subject to charges?  
Is the claimant overpaid benefits?  
Is the claimant overpaid Federal Pandemic Unemployment Compensation?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant started working for this employer on April 26, 2010. She works full-time as a product specialist. She filed her original claim for unemployment insurance benefits funded by the State of Iowa effective March 29, 2020. She was working part-time for Kohl's as well as full-time for Hy-Vee Inc. Her part-time hours at Kohl's were reduced but her normal full-time hours at this employer have remained unchanged. Claimant's weekly-benefit amount for unemployment insurance benefits purposes is \$481.00. For each weekly-continued claim she has filed she has earned gross wages in excess of her weekly-benefit amount, plus \$15.00.

## REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes as follows:

Iowa Code § 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", subparagraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3, are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code § 96.19(38)b provides:

As used in this chapter, unless the context clearly requires otherwise:

38. "Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work, or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Code § 96.7(2)a(2)a provides:

Contribution rates based on benefit experience.

a. (2) The amount of regular benefits plus fifty percent of the amount of extended benefits paid to an eligible individual shall be charged against the account of the employers in the base period in the inverse chronological order in which the employment of the individual occurred.

(a) However, if the individual to whom the benefits are paid is in the employ of a base period employer at the time the individual is receiving the benefits, and the *individual is receiving the same employment from the employer that the individual received during the individual's base period*, benefits paid to the individual shall not be charged against the account of the employer. This provision applies to both contributory and reimbursable employers, notwithstanding subparagraph (3) and section 96.8, subsection 5.

(emphasis added).

Iowa Admin. Code r. 871-24.23(23) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(23) The claimant's availability for other work is unduly limited because such claimant is working to such a degree that removes the claimant from the labor market.

Because claimant is still employed full-time at her regular job with this employer, she is working to such a degree that removes her from the labor market and she is not partially unemployed. As such, regular unemployment insurance benefits funded by the State of Iowa are denied effective March 29, 2020.

#### **DECISION:**

The May 28, 2020 (reference 01) decision is affirmed. Claimant is still employed in her full-time position at the same hours and same wages and is not partially unemployed. Benefits are denied effective March 29, 2020.
