CLARK A BREWSTER

Claimant

APPEAL NO. 13A-UI-04334-VST

**ADMINISTRATIVE LAW JUDGE
DECISION**

WHIRLPOOL CORPORATION

Employer

OC: 12/23/12

Claimant: Appellant (1)

Section 96.4-3 – Able and Available
Section 96.6-2 – Timeliness of Appeal

STATEMENT OF THE CASE:

Claimant filed an appeal from a decision of a representative dated March 11, 2013, reference 02, which held claimant ineligible for unemployment insurance benefits. After due notice, a telephone conference hearing was scheduled for and held on May 20, 2013. Employer participated by Carrie Jaster, Human Resources. Claimant failed to respond to the hearing notice and did not participate. The record consists of the administrative record.

ISSUE:

Whether the claimant filed a timely appeal.

FINDINGS OF FACT:

The administrative law judge, having considered all of the evidence in the record, makes the following findings of fact:

On March 11, 2013, a representative issued a decision that held that the claimant was ineligible for unemployment insurance benefits. The decision also states that the decision would become final unless an appeal was postmarked by March 21, 2013, or received by the Appeals Section on that date. The claimant's appeal was filed on April 9, 2013.

REASONING AND CONCLUSIONS OF LAW:

The preliminary issue in this case is whether the claimant timely appealed the representative's decision. Iowa Code section 96.6-2 provides that unless the affected party (here, the claimant) files an appeal from the decision within ten calendar days, the decision is final and benefits shall be paid or denied as set out by the decision.

The ten calendar days for appeal begins running on the mailing date. The "decision date" found in the upper right-hand portion of the representative's decision, unless otherwise corrected immediately below that entry, is presumptive evidence of the date of mailing. Gaskins v.

Unempl. Comp. Bd. of Rev., 429 A.2d 138 (Pa. Comm. 1981); Johnson v. Board of Adjustment, 239 N.W.2d 873, 92 A.L.R.3d 304 (Iowa 1976).

Pursuant to rules 871 IAC 26.2(96)(1) and 871 IAC 24.35(96)(1), appeals are considered filed when postmarked, if mailed. Messina v. IDJS, 341 N.W.2d 52 (Iowa 1983).

The record in this case shows that more than ten calendar days elapsed between the mailing date and the date this appeal was filed. The Iowa court has declared that there is a mandatory duty to file appeals from representatives' decisions within the time allotted by statute, and that the administrative law judge has no authority to change the decision of a representative if a timely appeal is not filed. Franklin v. IDJS, 277 N.W.2d 877, 881 (Iowa 1979). Compliance with appeal notice provisions is jurisdictional unless the facts of a case show that the notice was invalid. Beardslee v. IDJS, 276 N.W.2d 373, 377 (Iowa 1979); see also In re Appeal of Elliott, 319 N.W.2d 244, 247 (Iowa 1982). The question in this case thus becomes whether the appellant was deprived of a reasonable opportunity to assert an appeal in a timely fashion. Hendren v. IESC, 217 N.W.2d 255 (Iowa 1974); Smith v. IESC, 212 N.W.2d 471, 472 (Iowa 1973).

The administrative law judge concludes that failure to have the appeal timely postmarked within the time prescribed by the Iowa Employment Security Law was not due to error, misinformation, delay, or other action of the United States Postal Service pursuant to 871 IAC 24.35(2). The claimant did not respond to the hearing notice and his reasons for a late appeal are unknown. Since the claimant's appeal is not timely, the administrative law judge has no jurisdiction to rule on the merits of the claimant's claim for unemployment insurance benefits.

DECISION:

The claimant failed to file a timely appeal from the representative's decision dated March 11, 2013, reference 02. That decision, which concluded that the claimant was not eligible to receive unemployment insurance benefits, remains in full force and effect.

Vicki L. Seeck
Administrative Law Judge
