DECISION**

Claimant: Appellant (2)**

Iowa Code § 96.4(3) – Ability to and Availability for Work

STATEMENT OF THE CASE:

Claimant filed an appeal from the February 10, 2023 (reference 10) unemployment insurance decision that found claimant was not able to and available for work for the week ending January 28, 2023, for failure to meet the reemployment activities requirement. The parties were properly notified of the hearing. A telephone hearing was held on March 9, 2023. Claimant Charles Stonestreet participated and testified. Official notice was taken of the administrative record.

ISSUE:

Whether claimant is able to and available for work for the week-ending January 28, 2023.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant began working full time for employer, Professional Transportation Corporation in April 2022. Claimant's employer experienced a slow down and the claimant's hours were reduced. Claimant applied for benefits based on his reduction in hours. The claimant received an ANDS decision dated December 12, 2022, (reference 04). That decision stated that the claimant was eligible to receive benefits effective November 27, 2022. The decision further stated that the claimant was to report gross wages for any weeks that he filed for benefits.

Claimant remains employed at reduced hours and he has properly reported his gross wages for each week that the claimant has worked and claimed benefits. The claimant remains partially unemployed at his full time employer.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes:

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.1A, subsection 37, paragraph "b", subparagraph (1), or temporarily unemployed as defined in section 96.1A, subsection 37, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

An individual claiming benefits has the burden of proof that he is able to work, available for work, and earnestly and actively seeking work. Iowa Admin. Code r. 871-24.22.

Claimant is partially unemployed and is not required to engage in reemployment activities. Accordingly, he is deemed able to and available for work for the week ending January 28, 2023.

DECISION:

The February 10, 2023 (reference 10) unemployment insurance decision is reversed. Claimant is able to and available for work for the week ending January 28, 2023. Benefits are allowed.
