**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

**OC: 05/08/11
Claimant: Appellant (1)**

EUC Act of 2008
Section 96.19(20) – Emergency Unemployment Compensation Benefits

STATEMENT OF THE CASE:

The claimant, Terry Richie, filed an appeal from a representative's dated May 18, 2012, reference 03. The decision concluded he was not eligible to receive emergency unemployment compensation benefits because he was monetarily eligible for regular benefits in Kansas. After a hearing notice was mailed to the claimant's last-known address of record, a telephone hearing was held June 26, 2012. The claimant did participate.

ISSUE:

The issue is whether the claimant is monetarily eligible for regular unemployment benefits in another state.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds that: The claimant filed for benefits with an effective date of May 8, 2011. He filed for emergency unemployment compensation benefits while he was eligible to receive regular unemployment insurance benefits in Kansas.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow the administrative law judge concludes the claimant is not eligible to receive emergency unemployment compensation benefits on the Iowa claim.

In order for a claimant to be eligible for extended benefits, the EUC Act of 2008 requires an individual to have exhausted all of the benefits under the regular unemployment claim. The claimant was not eligible for emergency unemployment compensation under his Iowa claim, because the claimant was eligible for regular unemployment insurance benefits in another State.

DECISION:

The representative's decision of May 18, 2012, reference 03, is affirmed. The claimant was not eligible for emergency unemployment compensation on an Iowa claim, because the claimant was eligible for regular unemployment insurance benefits in another State.
