871 IAC 26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

The employer appealed a representative's September 4, 2014 determination (reference 03) that held the claimant qualified to receive benefits and employer's account subject to charge because the claimant quit for reasons that qualify her to receive benefits.. A hearing was scheduled on October 3, 2014. On September 26, 2014, the employer withdrew its appeal in this matter. Based on the employer's withdrawal request, the administrative record, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

FINDINGS OF FACT:

The employer withdrew its appeal from a representative's September 4, 2014 determination (reference 03). The employer's representative faxed a September 26, 2014 request to the Appeals Bureau.

The maximum amount that can be charged to the employer's account during the current benefit year is \$19.31.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is recorded by the presiding officer.

The employer's request to withdraw this appeal in this matter is approved.

DECISION:

The representative's September 4, 2014 determination (reference 03) is affirmed. The employer's withdrawal request is approved. This means as of August 10, 2014, the claimant remains qualified to receive benefits, provided she meets all other eligibility requirements. The employer's account is subject to a maximum charge of \$19.31 during the claimant's current benefit year.
