**ADMINISTRATIVE LAW JUDGE  
DECISION**

**IOWA WORKFORCE DEVELOPMENT  
DEPARTMENT**

**OC: 01/27/19**  
**Claimant: Appellant (1)**

42 USC 503(G)1 – Withholding under an Inter-State Agreement  
20 CFR 616.8(e) -- Repayment

**STATEMENT OF THE CASE:**

Claimant filed a timely appeal from the April 3, 2019 (reference 03) decision that notified her that her state of Iowa unemployment benefits would be withheld to repay an overpayment of benefits she had in the state of Missouri. After due notice was issued, a hearing was held by telephone conference call on April 25, 2019. Claimant participated.

**ISSUE:**

Can the claimant's Iowa unemployment insurance benefits be withheld to repay an overpayment of benefits in Missouri?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant has an overpayment due to the state of Missouri in the amount of \$2,472.98. The claimant has an Iowa claim with an effective date of January 27, 2019. Iowa and Missouri have an inter-state agreement for recovery of benefits. Claimant is currently eligible for unemployment insurance benefits in Iowa.

**REASONING AND CONCLUSIONS OF LAW**

The claimant is overpaid unemployment benefits in Missouri which has requested the recovery of those benefits from Iowa. Under 20 CFR 616.8(E) and 42 USC 503.G(1) the request was properly made for an interstate recovery of benefits and the claimant's benefits shall be withheld to offset the overpayment.

20 CFR 616.8(E) provides in relevant part:

(e) *Recovery of prior overpayments.* If there is an overpayment outstanding in a transferring State and such transferring State so requests, the overpayment shall be deducted from any benefits the paying State would otherwise pay to the claimant on his/her Combined-Wage Claim except to the extent prohibited by the law of the paying State. The paying State shall transmit the amount deducted to the transferring State or

credit the deduction against the transferring State's required reimbursement under this arrangement. This paragraph shall apply to overpayments only if the transferring State certifies to the paying State that the determination of overpayment was made within 3 years before the Combined-Wage Claim was filed and that repayment by the claimant is legally required and enforceable against him/her under the law of the transferring State.

**DECISION:**

The representative's decision dated April 3, 2019, (reference 03), is affirmed. The claimant's unemployment benefits may be withheld in order to offset the overpayment of unemployment benefit in Missouri.
