DECISION**

HEARTLAND MEDICAL RESEARCH INC
Employer

OC: 09/28/14
Claimant: Appellant (6)

871 IAC 26.8(1) – Dismissal of Appeal

STATEMENT OF THE CASE:

The claimant appealed a representative's October 16, 2014 (reference 01) determination that disqualified him from receiving benefits and held the employer's account exempt from charge because the claimant had been discharged for disqualifying reasons. On October 31, 2014 another determination (reference 02) amended reference 01. Reference 02 held the claimant qualified to receive benefits. As a result of the determination issued on October 31, the scheduled hearing on November 6 was cancelled. Based on the October 31, 2014 determination that amended the October 16 determination, the administrative law concludes the claimant is qualified to receive benefits.

FINDINGS OF FACT:

The October 16, 2014 determination that the claimant appealed was amended by an October 31, 2014 determination. Since the October 31 determination held the claimant qualified to receive benefits, the issue the claimant appealed was resolved and there was no need for a hearing.

REASONING AND CONCLUSIONS OF LAW:

The October 31, 2014 determination (reference 02) amended the determination the claimant appealed and resolved the issue the claimant appealed. Therefore, this appeal is dismissed.

DECISION:

The representative's October 31, 2014 (reference 02) determination is affirmed. The October 31 determination amended the October 16, 2014 determination that the claimant appealed. Since the October 31, 2014 determination resolved the issue the claimant appealed, there was no need for a hearing. As of September 28, 2014 the claimant is qualified to receive benefits.
