ISSUE:

At issue in this matter is whether the appellant herein should be allowed to withdraw its appeal.

FINDINGS OF FACT:

The administrative law judge, having considered the evidence in the record, finds that: A request has been made by the appealing party to withdraw the appeal. The request has been submitted orally and has been recorded.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The administrative law judge has reviewed the records and files herein and concludes that the request of the appealing party to withdraw the appeal should be approved.
