Claimant

APPEAL 23A-UI-03677-AW-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

OC: 03/26/23
Claimant: Appellant (2)

Iowa Code § 96.4(3) – Able and Available/Work Search

STATEMENT OF THE CASE:

Claimant filed an appeal from the April 4, 2023 (reference 02) unemployment insurance decision that warned claimant to make an active work search, but did not deny benefits. Claimant was properly notified of the hearing. A telephone hearing was held on April 24, 2023. Claimant participated. Iowa Workforce Development (IWD) did not participate. No exhibits were admitted. Official notice was taken of the administrative record.

ISSUES:

Whether claimant is able to and available for work.
Whether claimant failed to make an active work search.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds:

Claimant filed a claim for unemployment insurance benefits effective March 26, 2023. He worked between March 26, 2023 and March 28, 2023. Claimant filed a weekly claim for benefits for the week ending April 1, 2023. Between March 26, 2023 and April 1, 2023, claimant applied for three jobs and interviewed for one.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes:

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.1A, subsection 37, paragraph "b", subparagraph (1), or temporarily unemployed as defined

in section 96.1A, subsection 37, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code section 96.1A(37) provides:

"Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Admin. Code r. 871-24.23(28) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(28) A claimant will be ineligible for benefits because of failure to make an adequate work search after having been previously warned and instructed to expand the search for work effort.

Claimant worked during the week ending April 1, 2023 and, thus, was partially unemployed. Claimant was exempt from the requirement that she make an active work search. Notwithstanding, claimant made four job contacts. The warning was not appropriate.

DECISION:

The April 4, 2023 (reference 02) unemployment insurance decision is REVERSED. Claimant was partially unemployed and not required to make an active and earnest search for work for the benefit week ending April 1, 2023. Therefore, the warning was not appropriate.
