Claimant: Appellant (6)

871 IAC 26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

An appeal was filed from a representative's decision dated October 13, 2010 (reference 01). A hearing was scheduled for December 7, 2010. At the time for the hearing but in lieu of the hearing being held, the appellant requested the appeal be withdrawn. Therefore, there is no need for a hearing. Based on a review of the administrative file and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

ISSUE:

Should the appellant's request to withdraw the appeal be granted?

FINDINGS OF FACT:

A request has been made by Wanda K. Rudolph (claimant), the appealing party, to withdraw the appeal. The reason for the request is that the claimant now understands that the representative was favorable to her in that it allowed benefits without restriction other than for any wages the claimant might earn during any given benefit week, which would be the case whether so stated in the representative's decision or not. While the claimant does not agree with some of the underlying dates and factual assertions which lead to the representative's decision, addressing those matters in a hearing would not result in any more favorable decision for the claimant.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

(1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The request of the appealing party to withdraw the appeal should be approved.

DECISION:

The decision of the representative dated October 13, 2010 (reference 01) is affirmed. The request of the appealing party to withdraw the appeal is approved, and there will be no hearing. The decision of the representative shall stand and remain in full force and effect. The claimant is entitled to receive unemployment insurance benefits, provided she is otherwise eligible.
