Claimant: Appellant (6)

871 IAC 26.8(1) – Dismissal of Appeal

STATEMENT OF THE CASE:

On April 2, 2013, the claimant's attorney appealed to the Employment Appeal Board an administrative law judge's March 19, 2013 decision, 13A-UI-000062-B. The Appeals Section made a mistake and instead of forwarding the appeal to the Employment Appeal Board an appeal was set up for a March 27, 2012 determination (reference 01). Before the Appeals Section recognized this mistake, a hearing was scheduled on May 7, 2013, at 1 p.m. Since the claimant did not appeal a March 27, 2012 determination, this appeal is dismissed and there will be no hearing on May 7. The claimant's appeal to the Employment Appeal Board has been forwarded to the Employment Appeal Board.

FINDINGS OF FACT:

The Appeals Section made a mistake when setting up this appeal between the claimant and this employer. The claimant did not appeal a determination that was issued over a year ago. Instead, the claimant appealed an administrative law judge's March 19, 2013 decision for appeal 13A-UI-00062-B. Before the Appeals Section recognized the mistake, a hearing was scheduled on May 7, 2013.

REASONING AND CONCLUSIONS OF LAW:

Since this appeal was set up by mistake, this matter is dismissed and there will be no hearing on May 7, 2013.

The claimant's appeal to the Employment Appeal Board regarding the decision for 13A-UI-00062-B (involving a different employer) has been forwarded to the Employment Appeal Board.

DECISION:

The representative's March 27, 2012 determination (reference 01) remains in effect. The Appeals Section made a mistake when setting up an appeal from a March 27, 2012 determination. Since the claimant did not appeal a determination that was issued more than a year ago, this appeal is dismissed and there will be no hearing on May 7 involving the claimant

and this employer. The claimant's appeal from a decision regarding appeal 13A-UI-00062-B has been forwarded to the Employment Appeal Board.
