APPEAL NO. 09A-UI-17303-H2T

**ADMINISTRATIVE LAW JUDGE
DECISION**

WASHINGTON CARE CENTER INC
Employer

**Original Claim: 09-27-09
Claimant: Respondent (1)**

Iowa Code § 96.4(3) – Able and Available
Iowa Code § 96.19(38)a & b – Total and Partial Unemployment
Iowa Code § 96.7(2)a – Same Base Period Employment

STATEMENT OF THE CASE:

The employer filed a timely appeal from the November 3, 2009, reference 01, decision that allowed benefits. After due notice was issued, a hearing was held on December 23, 2009. The claimant did participate. The employer did participate through Marty Wills, Administrator.

ISSUE:

Is the claimant partially unemployed?

FINDINGS OF FACT:

Having reviewed the testimony and all of the evidence in the record, the administrative law judge finds: Claimant was employed as a dietary aid/cook, full-time, beginning July 20, 2007 and was still employed through date of hearing. The employer wanted the claimant to move to night time even though the hours were not the same as during the day. The claimant moved to nights and was still working approximately four days per week. In the fall of 2009, the employer did not have as many hours of work for the claimant as when she was hired to work four or five days per week and as when she was initially hired to work days.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant is partially unemployed for the period beginning September 27, 2009.

Iowa Code § 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially

unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Code § 96.19-38 provides:

"Total and partial unemployment".

a. An individual shall be deemed "totally unemployed" in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which, while employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

An individual shall be deemed partially unemployed in any week in which the individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Code § 96.7-2-a(2) provides:

2. Contribution rates based on benefit experience.

a. (2) The amount of regular benefits plus fifty percent of the amount of extended benefits paid to an eligible individual shall be charged against the account of the employers in the base period in the inverse chronological order in which the employment of the individual occurred.

However, if the individual to whom the benefits are paid is in the employ of a base period employer at the time the individual is receiving the benefits, and the individual is receiving the same employment from the employer that the individual received during the individual's base period, benefits paid to the individual shall not be charged against the account of the employer. This provision applies to both contributory and reimbursable employers, notwithstanding subparagraph (3) and section 96.8, subsection 5.

An employer's account shall not be charged with benefits paid to an individual who left the work of the employer voluntarily without good cause attributable to the employer or to an individual who was discharged for misconduct in connection with the individual's employment, or to an individual who failed without good cause, either to apply for

available, suitable work or to accept suitable work with that employer, but shall be charged to the unemployment compensation fund. This paragraph applies to both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The amount of benefits paid to an individual, which is solely due to wage credits considered to be in an individual's base period due to the exclusion and substitution of calendar quarters from the individual's base period under section 96.23, shall be charged against the account of the employer responsible for paying the workers' compensation benefits for temporary total disability or during a healing period under section 85.33, section 85.34, subsection 1, or section 85A.17, or responsible for paying indemnity insurance benefits.

Because the claimant is currently employed less than her regular full-time hours, she is considered partially unemployed. Benefits may be allowed based upon reporting of weekly earnings. For whatever period the employer is not offering the same wages and hours as contemplated in the contract of hire, it may be liable for benefit charges to its account.

DECISION:

The November 3, 2009 reference 01, decision is affirmed. The claimant is partially unemployed and benefits are allowed, provided she is otherwise eligible. The account of employer (account number 328660) may be liable for charges.
