Claimant: Appellant (4)

PL 116-136, Sec. 2102 – Federal Pandemic Unemployment Assistance

Iowa Code § 96.6(2) – Filing – Timely Appeal

Iowa Admin. Code r. 871-24.35 – Filing

STATEMENT OF THE CASE:

Claimant filed an appeal from the Iowa Workforce Development decision dated June 14, 2021 that determined claimant was not eligible for Pandemic Unemployment Assistance (PUA) benefits. Claimant was properly notified of the hearing. A telephone hearing was scheduled for May 5, 2022. No hearing was held because the appellant failed to call the toll-free number listed on the hearing notice at the time of the hearing. On May 10, 2022, a default decision was issued dismissing the appeal.

Claimant appealed to the Employment Appeal Board (EAB). On June 29, 2022, the EAB remanded this matter to the Appeals Bureau for a hearing on the merits. Upon remand, due notice was issued and a hearing was held on August 1, 2022. Claimant participated. Iowa Workforce Development (IWD) did not participate. No exhibits were admitted. Official notice was taken of the administrative record.

ISSUES:

Whether claimant filed a timely appeal.

Whether claimant is eligible for Pandemic Unemployment Assistance.

FINDINGS OF FACT:

Having reviewed the evidence in the record, the administrative law judge finds:

The Unemployment Insurance Decision was mailed to claimant at the correct address on June 14, 2021. Claimant did not receive the decision. The decision states that it becomes final unless an appeal is postmarked or received by IWD Appeals Section by June 25, 2021. Claimant learned of the PUA denial decision when she received a subsequent overpayment statement from IWD. Claimant appealed the decisions online on April 19, 2022. IWD received the appeal on April 19, 2022.

Claimant filed an initial claim for unemployment insurance benefits with an effective date of March 22, 2020. On May 5, 2021, IWD issued a decision (reference 03) finding claimant was

not eligible for regular unemployment insurance (UI) benefits effective December 27, 2020. That decision remains in effect. Claimant filed an application for PUA on June 14, 2021.

Claimant was employed as a seasonal Tax Preparer for H & R Block for six to seven years. Claimant worked part-time in November and December and full-time from January through May. H & R Block did not employ claimant in November 2020 for the 2021 tax season due to changes in its operating procedures because of Covid-19.

In January 2021, claimant accepted work with the Storm Lake Community School District as a substitute Instructional Assistant.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes:

Iowa Code § 96.6(2) provides, in pertinent part: “[u]nless the claimant or other interested party, after notification or within ten calendar days after notification was mailed to the claimant's last known address, files an appeal from the decision, the decision is final and benefits shall be paid or denied in accordance with the decision.”

Iowa Admin. Code r. 871-24.35(1) provides:

1. Except as otherwise provided by statute or by division rule, any payment, appeal, application, request, notice, objection, petition, report or other information or document submitted to the division shall be considered received by and filed with the division:

(a) If transmitted via the United States Postal Service on the date it is mailed as shown by the postmark, or in the absence of a postmark the postage meter mark of the envelope in which it is received; or if not postmarked or postage meter marked or if the mark is illegible, on the date entered on the document as the date of completion.

(b) If transmitted via the State Identification Data Exchange System (SIDES), maintained by the United States Department of Labor, on the date it was submitted to SIDES.

(c) If transmitted by any means other than [United States Postal Service or the State Identification Data Exchange System (SIDES)], on the date it is received by the division.

Iowa Admin. Code r. 871-24.35(2) provides:

2. The submission of any payment, appeal, application, request, notice, objection, petition, report or other information or document not within the specified statutory or regulatory period shall be considered timely if it is established to the satisfaction of the division that the delay in submission was due to division error or misinformation or to delay or other action of the United States postal service.

The Iowa Supreme Court has declared that there is a mandatory duty to file appeals from representatives' decisions within the time allotted by statute, and that the administrative law judge has no authority to change the decision of a representative if a timely appeal is not filed. *Franklin v. IDJS*, 277 N.W.2d 877, 881 (Iowa 1979). Compliance with appeal notice provisions is jurisdictional unless the facts of a case show that the notice was invalid. *Beardslee v. IDJS*, 276 N.W.2d 373, 377 (Iowa 1979); see also *In re Appeal of Elliott* 319 N.W.2d 244, 247 (Iowa

1982). The question in this case thus becomes whether the appellant was deprived of a reasonable opportunity to assert an appeal in a timely fashion. *Hendren v. IESC*, 217 N.W.2d 255 (Iowa 1974); *Smith v. IESC*, 212 N.W.2d 471, 472 (Iowa 1973).

Claimant did not receive the decision. Therefore, the appeal notice provisions were invalid. Claimant did not have a reasonable opportunity to file a timely appeal. Claimant filed her appeal promptly upon learning of the decision denying benefits. Claimant's appeal is considered timely.

The next issue to be determined is whether claimant is eligible for PUA benefits. For the reasons that follow, the administrative law judge concludes:

The Coronavirus Aid, Relief, and Economic Security (CARES) Act, Public Law 116-136, Sec. 2102 provides for unemployment benefit assistance to any covered individual for any weeks beginning on or after January 27, 2020 and ending on or before December 31, 2020, during which the individual is unemployed, partially unemployed, or unable to work due to COVID-19.

The Continued Assistance for Unemployed Workers Act of 2020 (enacted December 27, 2020) and American Rescue Act of 2021 (enacted March 11, 2021) extended PUA benefits for weeks of unemployment to September 6, 2021.

On May 11, 2021, Governor Reynolds announced that Iowa will end its participation in federal pandemic-related unemployment benefit programs effective June 12, 2021. The last payable week for PUA in Iowa will be the week ending June 12, 2021. Additional information can be found in the press release at <https://www.iowaworkforcedevelopment.gov/iowa-end-participation-federal-unemployment-benefit-programs-citing-strong-labor-market-and>.

Section 2102 of the CARES Act describes a covered individual as follows:

(3) COVERED INDIVIDUAL.—The term “covered individual”—

(A) means an individual who—

(i) is not eligible for regular compensation or extended benefits under State or Federal law or pandemic emergency unemployment compensation under section 2107, including an individual who has exhausted all rights to regular unemployment or extended benefits under State or Federal law or pandemic emergency unemployment compensation under section 2107; and

(ii) provides self-certification that the individual—

(I) is otherwise able to work and available for work within the meaning of applicable State law, except the individual is unemployed, partially unemployed, or unable or unavailable to work because—

(aa) the individual has been diagnosed with COVID-19 or is experiencing symptoms of COVID-19 and seeking a medical diagnosis;

(bb) a member of the individual's household has been diagnosed with COVID-19;

(cc) the individual is providing care for a family member or a member of the individual's household who has been diagnosed with COVID-19;

(dd) a child or other person in the household for which the individual has primary caregiving responsibility is unable to attend school or another facility that is closed as a direct result of the COVID-19 public health emergency and such school or facility care is required for the individual to work;

(ee) the individual is unable to reach the place of employment because of a quarantine imposed as a direct result of the COVID-19 public health emergency;

(ff) the individual is unable to reach the place of employment because the individual has been advised by a health care provider to self-quarantine due to concerns related to COVID-19;

(gg) the individual was scheduled to commence employment and does not have a job or is unable to reach the job as a direct result of the COVID-19 public health emergency;

(hh) the individual has become the breadwinner or major support for a household because the head of the household has died as a direct result of COVID-19;

(ii) the individual has to quit his or her job as a direct result of COVID-19;

(jj) the individual's place of employment is closed as a direct result of the COVID-19 public health emergency; or

(kk) the individual meets any additional criteria established by the Secretary for unemployment assistance under this section; or

(II) is self-employed, is seeking part-time employment, does not have sufficient work history, or otherwise would not qualify for regular unemployment or extended benefits under State or Federal law or pandemic emergency unemployment compensation under section 2107 and meets the requirements of subclause (I); and

(B) does not include—

(i) an individual who has the ability to telework with pay; or

(ii) an individual who is receiving paid sick leave or other paid leave benefits, regardless of whether the individual meets a qualification described in items (aa) through (kk) of subparagraph (A)(i)(I).

The Secretary of Labor has expanded eligibility under subparagraph (jj) to include “an individual is an employee and their hours have been reduced or the individual was laid off as a direct result of the COVID-19 public health emergency.” (Unemployment Insurance Program Letter Number 16-20, Change 5, page 8)

Claimant was employed as a part-time tax preparer in December and as a full-time tax preparer from January through May of each year but was laid off due to Covid-19. Claimant is an employed individual who has experienced a significant reduction in hours as a direct result of Covid-19. Claimant meets the requirements of subparagraph (jj) and, thus, is eligible for PUA benefits effective December 27, 2020 provided she is otherwise eligible and subject to reporting gross wages earned.

DECISION:

The appeal is timely. The decision dated June 14, 2021 that denied claimant PUA benefits is MODIFIED IN FAVOR OF APPELLANT. Claimant meets the requirements of subparagraph (jj) above; benefits are allowed effective December 27, 2020 provided claimant is otherwise eligible and subject to reporting gross wages earned.
