**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

**OC: 01/06/13
Claimant: Appellant (1)**

Section 96.4-3 - Able and Available/Work Search

STATEMENT OF THE CASE:

The claimant filed a timely appeal from a January 23, 2013, reference 03, decision that found the claimant ineligible for benefits for the week ending January 12, 2013, because of inadequate in-person work search contacts. After due notice was issued, a hearing was held on February 26, 2013, with the claimant participating. Exhibit A was admitted into evidence.

ISSUE:

Whether claimant made adequate work searches.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant's appeal letter that one in-person work search was made is credible. During the first week in which claimant filed a telephone claim, claimant applied for only one job because she filed on Friday of that week.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant has not made appropriate in-person work search contacts.

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept

suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant has sufficiently demonstrated to the satisfaction of the administrative law judge that inappropriate in-person work search contacts were made for the week ending January 12, 2013. Accordingly, the warning remains.

DECISION:

The January 23, 2013 reference 03, decision is affirmed. The claimant did not make appropriate in-person work search contacts for the week ending January 12, 2013. Benefits are allowed, and the warning remains. No overpayment shall result from this decision.
