ADMINISTRATIVE HEARINGS DIVISION, UI APPEALS BUREAU**

DANIEL C TUURI
Claimant

APPEAL 22A-UI-18380-ED-T
**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

OC: 10/09/22
Claimant: Appellant (2)

Iowa Code § 96.4(3) - Able and Available
Iowa Admin. Code r. 871-24.2(1)e – Notice to Report
Iowa Admin. Code r. 871-24.23(11) – Failure to Report

STATEMENT OF THE CASE:

The claimant filed a timely appeal from the October 25, 2022, (reference 02) unemployment insurance decision that issued a warning because of a failure to report as directed and not being able to or available for work. After due notice was issued, a telephone conference hearing was set for November 17, 2022. Claimant, Daniel Tuuri, participated personally. No exhibits were offered or admitted.

ISSUES:

Did the claimant fail to report as directed or offer a good cause reason for failure to do so?
Is the claimant able to work and available for work the week-ending October 22, 2022?

FINDINGS OF FACT:

The claimant filed for benefits for the week ending October 25, 2022. The warning was for failing to certify his re-employment activities for the week ending October 25, 2022. The claimant completed four re-employment attempts to upload his four re-employment activities online but made an error in certifying the activities on the website. He asked for help at his local Workforce Development office, but the office was not able to correct his error and recommended he file the appeal in this matter.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the underlying issue was the result of a reporting error.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed

partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.2(1)e provides:

e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.

The method of reporting shall be weekly if a voice response continued claim is filed, unless otherwise directed by an authorized representative of the department.¹ An individual who files a voice response continued claim will have the benefit payment automatically deposited weekly in the individual's account at a financial institution or be paid by the mailing of a warrant on a biweekly basis.

The department retains the ultimate authority to choose the method of reporting and payment.

Since the claimant conducted job searches but made a mistake in certifying the job searches online and was unable to correct his mistake for the week ending October 22, 2022, the administrative law judge finds the claimant has reported as directed.

DECISION:

The October 25, 2022, (reference 02) unemployment insurance decision is reversed. The claimant has established a good cause reason for failing to report as directed. The underlying issue was the result of a reporting error and the warning issued was not appropriate.
