(Decision Dated & Mailed)

Section 96.4-3 - Able to and Available for Work

STATEMENT OF THE CASE:

The claimant appealed an unemployment insurance decision dated April 6, 2004, reference 02, that concluded she was not able to and available for work. A telephone hearing was held on May 5, 2004. The parties were properly notified about the hearing. The claimant participated in the hearing. No one participated in the hearing on behalf of the employer.

FINDINGS OF FACT:

The claimant filed a new claim for unemployment insurance benefits with an effective date of March 21, 2004. At the time the claimant filed for unemployment benefits, she was able to work, available for work, and actively looking for work. Although the claimant had been under doctors' care, as of the date that the claimant filed for unemployment benefits, she was not under any work restrictions that would have prevented her from accepting suitable employment.

REASONING AND CONCLUSIONS OF LAW:

The issue in this case is whether the claimant is able to work, available for work, and earnestly and actively seeking work as defined by the unemployment insurance law in Iowa Code Section 96-4-3. The evidence establishes that the claimant was able to and available for work and that she was actively looking for work without any medical restrictions.

DECISION:

The unemployment insurance decision dated April 6, 2004, reference 02, is reversed. The claimant is qualified to receive unemployment insurance benefits, provided she is otherwise eligible.
