Claimant: Appellant (2)**

Iowa Code § 96.4(3) – Able and Available/Work Search
Iowa Administrative Code R. 871-24.22(3)- Earnestly and Actively Seeking Work

STATEMENT OF THE CASE:

On January 10, 2023, claimant/appellant filed an appeal from the January 4, 2023, reference 02, unemployment insurance decision that warned him to make a minimum of four reemployment activities per week but did not deny benefits for the week ending December 31, 2022. After due notice was issued, a telephone conference hearing was held on January 26, 2023. The claimant participated. Claimant's wife, Sherry Payne, was present as a witness but was not called to testify.

ISSUE:

Did the claimant make an adequate work search for the week ending December 31, 2022, and was the warning appropriate?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant claimed benefits for the week ending December 31, 2022. Claimant applied for three separate jobs and attended an online job search event with Iowa Workforce Development during the week. Claimant made an error in certifying his reemployment activities when he filed for benefits.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant has made an active and earnest search for work for the week ending December 31, 2022.

Iowa Code § 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially

unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.23(28) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(28) A claimant will be ineligible for benefits because of failure to make an adequate work search after having been previously warned and instructed to expand the search for work effort.

The claimant has sufficiently demonstrated to the satisfaction of the administrative law judge an active and earnest search for work for the week ending December 31, 2022. Accordingly, the warning was not appropriate.

DECISION:

The January 4, 2023, reference 02, unemployment insurance decision is REVERSED. The claimant made an active and earnest search for work for the week ending December 31, 2022. Therefore, the warning was not appropriate.
