APPEAL 21A-UI-20033-JC-T
**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 01/03/21
Claimant: Appellant (1)

Iowa Code § 96.4(3) – Able to and Available for Work
Iowa Admin. Code r. 871-24.23(10) – Leave of Absence

STATEMENT OF THE CASE:

The claimant/appellant, Lacy L. Johnson, filed an appeal from the September 1, 2021 (reference 01) Iowa Workforce Development (“IWD”) unemployment insurance decision that denied benefits and stated she was ineligible for benefits due to a requested leave of absence. The parties were properly notified about the hearing. A telephone hearing was held on November 1, 2021. The claimant participated personally. The employer, Dee Zee Inc., participated through Sarah Tew, HR Specialist. Employer Exhibits 1-10 and Claimant Exhibit A were admitted. The administrative law judge took official notice of the administrative records. Based on the evidence, the arguments presented, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

ISSUES:

Was the claimant able to work and available for work effective July 25, 2021?
Was the claimant voluntarily unemployed due to a requested leave of absence?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant has performed work for this employer since 2019. She is a full-time quality control technician. Claimant was absent from work July 26, 2021 through August 8, 2021 when she tested positive for COVID-19 and was directed to self-quarantine by her treating physician. Had claimant not tested positive, work was available. Claimant was on an approved leave of absence during this time and not paid by employer. She returned to work on August 9, 2021.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant is not able to and available for work effective July 25, 2021.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.1A, subsection 38, paragraph "b", subparagraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.23(1) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(1) An individual who is ill and presently not able to perform work due to illness.

Iowa Admin. Code r. 871-24.23(10) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(10) The claimant requested and was granted a leave of absence, such period is deemed to be a period of voluntary unemployment and shall be considered ineligible for benefits for such period.

For an individual to be eligible to receive benefits, she must be able to work, available for work, and actively seeking work as required by the unemployment insurance law. Iowa Code § 96.4(3). The burden is on the claimant to establish that she is able and available for work within the meaning of the statute. Iowa Code § 96.6(2); Iowa Admin. Code r. 871-24.22.

The administrative law judge recognizes the claimant has filed her current claim due to hardship related to the COVID-19 pandemic. Here, the employer had work available for the claimant. However, the claimant informed the employer she was unable to work due to testing positive for COVID-19. The employer agreed to allow the claimant time off for that reason. The claimant is considered to be on a leave of absence and is not available for work, according to Iowa law. Therefore, the claimant is not eligible for regular, state-funded unemployment insurance benefits.

DECISION:

The unemployment insurance decision dated September 1, 2021, (reference 01) is affirmed. The claimant is not able and available for work effective July 25, 2021. Regular unemployment insurance benefits funded by the state of Iowa are denied until such time the claimant is able to and available for work.
