**OC: 09/06/15
Claimant: Appellant (2)**

871 IAC 24.2(1)h(1) & (2) – Backdating

STATEMENT OF THE CASE:

Claimant filed a timely appeal from the July 27, 2016, (reference 01) decision that denied the request to backdate the additional claim date prior to July 17, 2016. After due notice was issued, a hearing was held by telephone conference call on August 25, 2016. Claimant participated. Claimant's exhibit A was entered and received into the record.

ISSUE:

Can the claimant's additional claim date for unemployment insurance benefits be backdated prior to July 17, 2016?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for benefits with an effective date of September 6, 2015 with an additional date of July 17, 2016 and desires to backdate the additional claim date to July 10, 2016. The claimant went online to reopen his claim on July 12 as he was off laid off work due to lack of work and earned no wages that entire week. Claimant did not delay reopening his claim; the computer would not allow him to update his claim. When he would call and enter the information he received a message that the system was unavailable and he would not be allowed to proceed. The claimant's claim was delayed due to agency computer malfunction.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant's request to backdate the claim is granted.

Iowa Admin. Code r. 871-24.2(1)h(1) and (2) provide:

Procedures for workers desiring to file a claim for benefits for unemployment insurance.

(1) Section 96.6 of the employment security law of Iowa states that claims for benefits shall be made in accordance with such rules as the department prescribes. The department of workforce development accordingly prescribes:

h. Effective starting date for the benefit year.

(1) Filing for benefits shall be effective as of Sunday of the current calendar week in which, subsequent to the individual's separation from work, an individual reports in person at a workforce development center and registers for work in accordance with paragraph "a" of this rule.

(2) The claim may be backdated prior to the first day of the calendar week in which the claimant does report and file a claim for the following reasons:

Backdated prior to the week in which the individual reported if the individual presents to the department sufficient grounds to justify or excuse the delay;

There is scheduled filing in the following week because of a mass layoff;

The failure of the department to recognize the expiration of the claimant's previous benefit year;

The individual is given incorrect advice by a workforce development employee;

The claimant filed an interstate claim against another state which has been determined as ineligible;

Failure on the part of the employer to comply with the provisions of the law or of these rules;

Coercion or intimidation exercised by the employer to prevent the prompt filing of such claim;

Failure of the department to discharge its responsibilities promptly in connection with such claim, the department shall extend the period during which such claim may be filed to a date which shall be not less than one week after the individual has received appropriate notice of potential rights to benefits, provided, that no such claim may be filed after the 13 weeks subsequent to the end of the benefit year during which the week of unemployment occurred. In the event continuous jurisdiction is exercised under the provisions of the law, the department may, in its discretion, extend the period during which claims, with respect to week of unemployment affected by such redetermination, may be filed.

Inability to file an electronic claim due to the system being inoperable is considered a good cause reason for the delay in filing the claim. The claimant's additional date shall be backdated to July 10, 2016 and he shall be paid full unemployment insurance benefits for the week ending July 16, 2016.

DECISION:

The July 27, 2016, (reference 01) decision is reversed. The claimant's request to backdate the claim is granted. The additional date shall be backdated to July 10, 2016 and the claimant shall be paid full benefits for the week ending July 16, 2016.
