871 IAC 26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

An appeal was filed from a representative's decision dated December 3, 2008, reference 01. A hearing was scheduled for December 29, 2008. Prior to the hearing being held, the appellant requested the appeal be withdrawn.

ISSUE:

The issue is whether the appeal should be withdrawn.

FINDINGS OF FACT:

The administrative law judge, having considered the evidence in the record, finds that: A request has been made by the appealing party to withdraw the appeal. The request has been submitted in writing.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The administrative law judge has reviewed the records and files herein and concludes that the request of the appealing party to withdraw the appeal should be approved because the representative's decision determining there was no business closing has been amended to reflect that the location where the claimant last worked for the employer has ceased to operate.

DECISION:

The decision of the representative dated December 3, 2008, reference 01, is affirmed. The request of the appealing party to withdraw the appeal is approved, and the decision of the representative allowing benefits shall stand and remain in full force and effect. Benefits are allowed, provided the claimant is otherwise eligible.
