Iowa Code § 96.4(3) – Ability to and Availability for Work  
Iowa Admin. Code r. 871-24.22(2) – Able & Available - Benefits Eligibility Conditions

**STATEMENT OF THE CASE:**

On October 13, 2022, QPS Employment Group Inc., (employer/appellant) filed an appeal from the October 10, 2022, reference 03, unemployment insurance decision that concluded that the claimant was eligible for benefits effective September 11, 2022. A telephone hearing was held on November 3, 2022 pursuant to due notice. The claimant, Janet Marshall, participated and testified. The employer QPS Employment Group, Inc., participated through witnesses Jessica Segner and Jessica Brooks. The administrative law judge took official notice of the administrative record.

**ISSUE:**

For the reasons that follow, the administrative law judge concludes that the claimant is not able to work and available for work effective September 11, 2022.

**FINDINGS OF FACT:**

Having reviewed the evidence in the record, the administrative law judge finds: Claimant began working for employer on July 26, 2021. Claimant last assignment was for J.M.F as a full-time packer. Claimant was at work when she required medical care and was taken to the hospital via ambulance. The employer has not received any medical documentation from the claimant's physician that releases her to work. The claimant testified that she has a work restriction that does not allow her to lift anything over 10 lbs.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow the administrative law judge finds

Iowa Code § 96.4(3) provides:

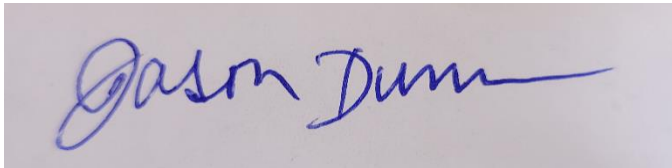

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

In order for the claimant to return to work she needs to provide the employer with documentation allowing her to return to work and what, if any, work restriction is prescribed by her physician. The claimant's current medical restriction of no lifting of anything over 10lbs is restrictive. Regardless, the claimant needs to provide medical documentation to the employer that releases her to work. The claimant is deemed to not be able and available for work effective September 11, 2022.

**DECISION:**

The October 10, 2022, reference 03, unemployment insurance decision is reversed. Claimant is not able to and available for work effective September 11, 2022. The employer has work available for the claimant if and when she is allowed to return to work depending on what restrictions have been prescribed by her medical provider.
