**APPEAL 21A-UI-21789-AW-T
ADMINISTRATIVE LAW JUDGE
DECISION**

**OC: 03/15/20
Claimant: Appellant (6)**

Iowa Code Ch. 17A – Iowa Administrative Procedure Act
Iowa Code Ch. 96 – Iowa Employment Security Act

STATEMENT OF THE CASE:

An appeal was set up from a representative decision dated March 1, 2021 (reference 02) that found claimant was not eligible for unemployment insurance (UI) benefits between academic years or terms. Claimant appealed a different decision; this appeal was set up in error.

ISSUE:

Whether the appeal should be dismissed because it was set up in error.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds:

Claimant did not appeal the decision that is the subject of this appeal. Appeal hearings are scheduled for the decisions that claimant intended to appeal.

The appeal from the representative decision dated March 1, 2021 (reference 02) was set up in error. No party from the decision dated March 1, 2021 (reference 02) has submitted an appeal.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code § 96.6(2) provides that a party to a representative's decision must appeal that decision with ten days of the mailing of the decision. No party to the representative's decision filed an appeal. The appeal letter submitted was for a different decision and this appeal was mistakenly set up in error. As such, the appeal in this matter should be dismissed.

DECISION:

The above-captioned appeal was set up in error. Accordingly, this appeal is dismissed. The decision dated March 1, 2021 (reference 02) remains in effect.
