**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

OC: 1/1/12
Claimant: Appellant (2R)

Section 96.4-3 – Missing Wages

STATEMENT OF THE CASE:

Claimant filed an appeal from a corrected monetary determination dated February 15, 2012, which held “there were insufficient wages reported for your social security number for the period beginning 10/1/10 and ending 9/30/11.” After due notice, a telephone conference hearing was scheduled for and held on March 9, 2012. Claimant participated personally. Exhibits A and B were entered into the record of evidence.

ISSUE:

The issue in this matter is whether the claimant had wages from this employer in the base period.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds: The only wages showing on claimant’s monetary record for the relevant base period were from Crane & Hoist Services and Midwest Foundation. The claimant also earned wages for Interstate Reinforcing Steel in the amount of \$768.50 during 2011, although it is not entirely clear which quarter those wages were earned. Claimant also earned wages in the amount of \$2,911.00 from Weitz Industrial, LLC.

REASONING AND CONCLUSIONS OF LAW:

Pursuant to Iowa Code section 96.3(4) and 96.3(5) (2011), claimant earned additional wages during his base period. The matter is remanded to the Unemployment Insurance Services Division for re-determination of eligibility based upon the additional wages as set forth above.

DECISION:

The decision of the representative dated February 15, 2012, is reversed and remanded for a re-determination of monetary eligibility.
