APPEAL 23A-UI-11329-AR-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**OC: 07/09/23
Claimant: Appellant (1R)**

Iowa Code § 96.4(5) – Reasonable Assurance

STATEMENT OF THE CASE:

On December 6, 2023, the claimant filed an appeal from the November 28, 2023, (reference 04) unemployment insurance decision that denied benefits based on the determination that claimant had reasonable assurance of continued work in the next school year or term. The parties were properly notified about the hearing. A telephone hearing was held on December 21, 2023. Claimant, Alexis (Widen) Hansen, participated. Employer, Adair-Casey Community Schools, participated through HR Coordinator Lindsay Jahde. No exhibits were offered or admitted. The administrative law judge took official notice of the administrative record.

ISSUE:

Does the claimant have reasonable assurance of continued employment in the next school term or year?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant was employed as a teacher assistant/paraeducator for the Adair-Casey Community School District during the 2022 – 2023, school year. That school year ended on approximately May 26, 2023. On May 17, 2023, claimant was presented with a contract for the coming school year, to return in the same capacity. Claimant's position is one that only works during the school year, not year-round. Claimant has no other regular non-educational institution employment wage credits in the base period.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes:

Iowa Code section 96.4(5)a provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

5. Benefits based on service in employment in a nonprofit organization or government entity, defined in section 96.19, subsection 18, are payable in the same amount, on the same terms and subject to the same conditions as compensation payable on the same basis of other service subject to this chapter, except that:

a. Benefits based on service in an instructional, research, or principal administrative capacity in an educational institution including service in or provided to or on behalf of an educational institution while in the employ of an educational service agency, a government entity, or a nonprofit organization shall not be paid to an individual for any week of unemployment which begins during the period between two successive academic years or during a similar period between two regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, if the individual has a contract or reasonable assurance that the individual will perform services in any such capacity for any educational institution for both such academic years or both such terms.

Iowa Admin. Code r. 871—24.51(6) provides:

School definitions.

(6) Reasonable assurance, as applicable to an employee of an educational institution, means a written, verbal, or implied agreement that the employee will perform services in the same or similar capacity, which is not substantially less in economic terms and conditions, during the ensuing academic year or term. It need not be a formal written contract. To constitute a reasonable assurance of reemployment for the ensuing academic year or term, an individual must be notified of such reemployment.

In this case, claimant does not have other non-educational institution wage credits in the base period. Claimant has reasonable assurance of continued employment for the 2023 – 2024 school year. As a result, the claimant is not considered unemployed. Accordingly, benefits are denied.

DECISION:

The November 28, 2023, (reference 04) unemployment insurance decision is AFFIRMED. Claimant had reasonable assurance of returning to work the following academic year or term. Benefits are denied.

REMAND:

The issues of whether claimant has been overpaid unemployment insurance benefits is remanded to the Benefits Bureau of Iowa Workforce Development for an initial investigation and determination.
