DAN ANDERSON, IWD

(Administrative Law Judge)

July 25, 2008

(Decision Dated & Mailed)

Section 96.16-4 - Misrepresentation
Section 96.3-7 - Recovery of Overpayments

STATEMENT OF THE CASE:

The claimant filed an appeal from an Iowa Workforce Development decision dated June 30, 2008, reference 03, which held that the claimant was overpaid unemployment benefits in the amount of \$551.00, because he failed to report wages earned with Forever Green for the two-week period ending May 31, 2008.

After due notice was issued, a hearing was scheduled for a telephone conference call on July 21,

2008. The claimant did not participate. Neil Anderson, Investigator, participated for Iowa Workforce Development, Investigation and Recovery.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony of the witnesses, and having examined all of the evidence in the record, finds: The claimant filed a claim for unemployment benefits with an effective date of January 20, 2008. The claimant claimed for and received unemployment benefits during the second quarter of 2008.

The department received an ICER report that the claimant was working for Forever Green, and an audit form was sent to this employer. A Forever Green representative returned the audit form that showed the claimant began working on May 19, 2008. The form reported the claimant worked 38.64 hours and earned gross wages of \$589 for the week ending May 24, and 19.31 hours with gross wages of \$290 for the week ending May 31. The department compared the employer's wage report against the claimant's claims for the same weeks.

The claimant filed claims for the two-weeks ending May 31, but he did not report any wages, and he received benefits of \$347 for each week. Based on the employer's wage report, he was not entitled to any benefit for the week ending May 24, and a reduced benefit of \$143 for the week ending May 31 that causes an overpayment of \$551 (\$347 & \$204).

Although Investigator Anderson mailed an audit to the claimant regarding the audit/\$551 overpayment on June 10, 2008, the claimant did not respond. Since the claimant answered "no" to the question whether he worked the weeks ending May 24 and May 31, the department concludes he misrepresented his claim(s).

The claimant failed to respond to the hearing notice.

REASONING AND CONCLUSIONS OF LAW:

The issue is whether the claimant is overpaid benefits \$551, and if so whether it is the result of misrepresentation.

Iowa Code Section 96.16-4 provides:

4. Misrepresentation. An individual who, by reason of the nondisclosure or misrepresentation by the individual or by another of a material fact, has received any sum as benefits under this chapter while any conditions for the receipt of benefits imposed by this chapter were not fulfilled in the individual's case, or while the individual was disqualified from receiving benefits, shall, in the discretion of the department, either be liable to have the sum deducted from any future benefits payable to the individual under this chapter or shall be liable to repay to the department for the unemployment compensation fund, a sum equal to the amount so received by the individual. If the department seeks to recover the amount of the benefits by having the individual pay to the department a sum equal to that amount, the department may file a lien with the county recorder in favor of the state on the individual's property and rights to property, whether real or personal. The amount of the lien shall be collected in a manner similar to the provisions for the collection of past-due contributions in section 96.14, subsection 3.

Iowa Code Section 96.3-7 provides:

7. Recovery of overpayment of benefits. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The division of job service in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the division a sum equal to the overpayment.

If the division determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The administrative law judge concludes that the claimant is overpaid benefits \$551 for the 2-weeks ending May 31, 2007 pursuant to Iowa Code section 96.16-4. The claimant misrepresented his claim by failing to disclose substantial work and wages earned for the two-weeks ending May 31, 2007 that caused the overpayment.

DECISION:

The decision of the representative dated June 30, 2008, reference 03, is AFFIRMED. The claimant is overpaid benefits \$551 due to misrepresentation.
