(Decision Dated & Mailed)

Section 96.4-3 - Able and Available/Work Search

STATEMENT OF THE CASE:

The claimant filed a timely appeal from a January 26, 2004, reference 03, decision that found the claimant ineligible for benefits for the week ending January 17, 2004, because of inadequate in-person work search contacts. After due notice was issued, a hearing was held on February 26, 2004, with the claimant participating.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant's testimony that appropriate in-person work searches were made is credible. During the first week in which the claimant filed a telephone claim, the claimant made two applications

for employment by resume. The claimant did not realize that in-person searches were required. However, the claimant did make the required number of applications.

#### REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant has made appropriate in-person work search contacts.

Iowa Code Section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant has sufficiently demonstrated to the satisfaction of the administrative law judge that appropriate work search contacts were made for the week ending January 17, 2004. Accordingly, benefits are allowed. The claimant shall, in the future, make such work searches in person.

#### DECISION:

The January 26, 2004 reference 03, decision is reversed. The claimant did make appropriate in-person work search contacts for the week ending January 17, 2004. Benefits are allowed, provided the claimant is otherwise eligible. No overpayment shall result from this decision.
