**Claimant: Appellant (6)**

871 IAC 26.8(1) - Withdrawal of Appeal

**STATEMENT OF THE CASE:**

An appeal was filed from a representative's decision dated November 16, 2012 (reference 01). A hearing was scheduled for December 20, 2012. During the hearing but in lieu of the hearing being completed, the appellant requested the appeal be withdrawn. Therefore, there is no need for a hearing. Based on a review of the administrative file and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

**ISSUE:**

Should the appellant's request to withdraw the appeal be granted?

**FINDINGS OF FACT:**

A request has been made by Kirk N. Andreas (claimant), the appealing party, to withdraw the appeal. The reason for the request was that he did not actually intend to appeal the decision.

**REASONING AND CONCLUSIONS OF LAW:**

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The request of the appealing party to withdraw the appeal should be approved.

**DECISION:**

The decision of the representative dated November 16, 2012 (reference 01) is affirmed. The request of the appealing party to withdraw the appeal is approved, and there will be no hearing. The decision of the representative shall stand and remain in full force and effect. As of April 23, 2012 benefits are withheld until such time as the claimant has worked in and been paid wages for insured work equal to ten times his weekly benefit amount, in his case \$1,700.00, provided the claimant is then otherwise eligible.
