DECISION**

**IOWA WORKFORCE  
DEVELOPMENT DEPARTMENT**

**OC: 11/08/15  
Claimant: Appellant (2)**

---

Iowa Code § 96.4(3) – Able and Available  
Iowa Admin. Code r. 871-24.2(1)e – Notice to Report  
Iowa Admin. Code r. 871-24.23(11) – Failure to Report

**STATEMENT OF THE CASE:**

The claimant filed a timely appeal from the December 17, 2015, (reference 01) decision that denied benefits because of a failure to report as directed. After due notice was issued, a telephone conference hearing was held on January 12, 2016. Claimant participated.

**ISSUE:**

Did the claimant fail to report as directed or offer a good-cause reason for failure to do so?

**FINDINGS OF FACT:**

Having heard the testimony and having examined the evidence in the record, the administrative law judge finds: On or about December 3, 2015, a notice was mailed to the claimant to report to IWD on her availability for work the week ending December 5, 2015. The claimant made job contacts each week and began working for her new employer on November 30, 2015. Claimant called the number provided on multiple occasions and reported this information to the department. Claimant is currently working, and is unable to take off work from a new job to go to the local office during business hours.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes the claimant has established a good-cause reason for having failed to report as directed.

Iowa Code § 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.2(1)e provides:

e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.

The method of reporting and the payment of benefits, provided the individual is otherwise eligible, shall be on a biweekly basis by mail if the claimant files a Form 60-0151.

The method of reporting shall be weekly if a voice response continued claim is filed, unless otherwise directed by an authorized representative of the department. An individual who files a voice response continued claim will have the benefit payment automatically deposited weekly in the individual's financial institution's account or be paid by the mailing of a warrant on a biweekly basis.

In order for an individual to receive payment by direct deposit, the individual must provide the department with the appropriate bank routing code number and a checking or savings account number.

The department retains the ultimate authority to choose the method of reporting and payment.

Since claimant has established a good-cause reason for failing to report as directed, benefits are allowed. Claimant responded to the notice to call in to report her availability. She left multiple messages to report that she had made job searches, and that she found employment and began working on November 30, 2015.

**DECISION:**

The December 17, 2015, (reference 01) decision is reversed. The claimant has established a good-cause reason for failing to report as directed. Benefits are allowed effective November 8, 2015 through November 28, 2015, provided the claimant is otherwise eligible.
