**Claimant: Appellant (1)**

871 IAC 24.19(1) – Determination and Review of Benefit Rights  
871 IAC 24.28(6-8) – Prior Adjudication

**STATEMENT OF THE CASE:**

The claimant filed a timely appeal from the September 18, 2012, reference 03, decision that denied benefits based upon a decision in a prior benefit year for the same separation. After due notice was issued, a hearing was held on October 18, 2012. The claimant did participate. The employer did participate through Lori Heger.

**ISSUE:**

The issue is whether the separation was adjudicated in a prior claim year.

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: The separation from employment at issue has been adjudicated in a prior claim year and that decision has become final based upon a decision of the Employment Appeal Board on January 12, 2012 for appeal number 12B-UI-12500.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes the separation at issue has been adjudicated in a prior claim year and that decision has become final.

871 IAC 24.28(6) provides:

Voluntary quit requalifications and previously adjudicated voluntary quit issues.

(6) The claimant voluntarily left employment. However, there shall be no disqualification under Iowa Code section 96.5(1) if a decision on this same separation has been made on a prior claim by a representative of the department and such decision has become final.

871 IAC 24.19(1) provides:

Claims for benefits shall be promptly determined by the department on the basis of such facts as it may obtain. Notice of such determination shall be promptly given to each claimant and to any employer whose employment relationship with the claimant, or the claimant's separation therefrom, involves actual or potential disqualifying issues relevant to the determination. . . . The notice of appeal rights shall state clearly the place and manner for taking an appeal from the determination and the period within which an appeal may be taken. Unless the claimant or any other such party entitled to notice, within ten days after such notification was mailed to such claimant's last-known address, files with the department a written request for a review of or an appeal from such determination, such determination shall be final.

The issue presented was resolved in a prior claim year (original claim date August 21, 2011) as the Employment Appeal Board's decision dated January 12, 2012 (reference 01). The current decision, referring to the prior claim year decision for the same separation date, is affirmed.

**DECISION:**

The September 18, 2012 (reference 03) decision is affirmed. The prior decision on the separation remains in effect. Benefits are denied.
