DECISION**

OC: 03/22/20
Claimant: Appellant (1)

Iowa Code § 96.4(3) – Ability to and Availability for Work

STATEMENT OF THE CASE:

On August 13, 2020, the claimant filed an appeal from the August 7, 2020, (reference 01) unemployment insurance decision that denied benefits. The parties were properly notified about the hearing. A telephone hearing was held on September 28, 2020. Claimant participated. Employer did not register for the hearing and did not participate.

ISSUES:

Is the claimant able to and available for work?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant began working for employer in May 2019. Claimant works for employer as a full-time dog groomer.

In March 2020, the United States declared a public health emergency because of the COVID 19 pandemic. Claimant's last day of work was March 20, 2020. Claimant was six or seven months' pregnant and did not want to risk getting COVID 19 while she was pregnant. Claimant also lost childcare for her two older children. Claimant took time off of work until she had her baby and recovered. Claimant had her baby on June 18, 2020. Claimant went back to work on August 3, 2020, as a full-time groomer.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant is not able to work and available for work effective March 22, 2020.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.23(10) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(10) The claimant requested and was granted a leave of absence, such period is deemed to be a period of voluntary unemployment and shall be considered ineligible for benefits for such period.

Here, claimant was on a leave of absence due to the risk of contracting COVID 19 while pregnant and due to a loss of childcare. Claimant has not established she is able to and available for work, even under the United States Department of Labor's guidance to flexibly interpret this requirement. See Unemployment Insurance Program Letter No. 10-20. Therefore, claimant is not eligible for regular, state-funded unemployment insurance benefits from the effective date of the claim.

Even though claimant is not eligible for regular unemployment insurance benefits under state law, the claimant may be eligible for federally funded unemployment insurance benefits under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"), Public Law 116-136. Section 2102 of the CARES Act creates a new temporary federal program called Pandemic Unemployment Assistance (PUA) that in general provides up to 39 weeks of unemployment benefits. An individual receiving PUA benefits may also receive the \$600 weekly benefit amount (WBA) under the Federal Pandemic Unemployment Compensation (FPUC) program if he or she is eligible for such compensation for the week claimed.

DECISION:

The August 7, 2020, (reference 01) unemployment insurance decision is affirmed. The claimant is not available for work effective March 22, 2020, and regular, state-funded unemployment insurance benefits are denied. Claimant may be eligible for Pandemic Unemployment Assistance.
