APPEAL 21A-UI-16166-DG-T

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

**OC: 06/28/20
Claimant: Appellant (1)**

Iowa Code § 96.4(3) – Ability to and Availability for Work
Iowa Code § 96.19(38)b – Definitions – Total, partial unemployment
Iowa Admin. Code r. 871-24.22(2)j – Benefit Eligibility Conditions – Leave of Absence
Iowa Admin. Code r. 871-24.23(10) – Availability Disqualifications – Leave of Absence

STATEMENT OF THE CASE:

Claimant filed an appeal from a decision of a representative dated July 19, 2021, (reference 06) that held claimant not able to and available for work. After due notice, a hearing was scheduled for and held on September 14, 2021. Claimant participated personally. Claimant's Exhibit A was admitted into evidence. The administrative law judge took official notice of the administrative record.

ISSUE:

The issue in this matter is whether claimant is able and available for work?

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds: Claimant is not able to work and available to work beginning on October 11, 2020 because he is still experiencing pain and discomfort, and he has placed restrictions on his employability.

Claimant last worked for JC Painting on August 19, 2019 as a foreman. Claimant was injured at work and he received treatment for his injury. He was later released with restrictions in October, 2020 and he was later terminated from the employment on October 14, 2020.

Since that date claimant has continued receiving medical care from his physician, and he is still experiencing pain in his shoulder. Claimant has begun his own business, and he earns income from that business. The only work claimant has done is construction. He has not worked in an office environment, and he has not been applying for that type of work. Claimant does not want to accept work unless he is paid \$20.00 an hour for his services.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph (1), or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.22(1)a provides:

Benefits eligibility conditions. For an individual to be eligible to receive benefits the department must find that the individual is able to work, available for work, and earnestly and actively seeking work. The individual bears the burden of establishing that the individual is able to work, available for work, and earnestly and actively seeking work.

(1) *Able to work.* An individual must be physically and mentally able to work in some gainful employment, not necessarily in the individual's customary occupation, but which is engaged in by others as a means of livelihood.

a. *Illness, injury or pregnancy.* Each case is decided upon an individual basis, recognizing that various work opportunities present different physical requirements. A statement from a medical practitioner is considered prima facie evidence of the physical ability of the individual to perform the work required. A pregnant individual must meet the same criteria for determining ableness as do all other individuals.

Iowa Admin. Code r. 871-24.23(35) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(35) Where the claimant is not able to work and is under the care of a medical practitioner and has not been released as being able to work.

Iowa Admin. Code r. 871-24.23(10) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(10) The claimant requested and was granted a leave of absence, such period is deemed to be a period of voluntary unemployment and shall be considered ineligible for benefits for such period.

Iowa Code section 96.19(38) provides:

"Total and partial unemployment".

a. An individual shall be deemed *"totally unemployed"* in any week with respect to which no wages are payable to the individual and during which the individual performs no services.

b. An individual shall be deemed partially unemployed in any week in which either of the following apply:

(1) While employed at the individual's then regular job, the individual works less than the regular full-time week and in which the individual earns less than the individual's weekly benefit amount plus fifteen dollars.

(2) The individual, having been separated from the individual's regular job, earns at odd jobs less than the individual's weekly benefit amount plus fifteen dollars.

c. An individual shall be deemed temporarily unemployed if for a period, verified by the department, not to exceed four consecutive weeks, the individual is unemployed due to a plant shutdown, vacation, inventory, lack of work or emergency from the individual's regular job or trade in which the individual worked full-time and will again work full-time, if the individual's employment, although temporarily suspended, has not been terminated.

Iowa Admin. Code r. 871-24.23(3) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(3) If an individual places restrictions on employability as to the wages and type of work that is acceptable and when considering the length of unemployment, such individual has no reasonable expectancy of securing work, such individual will be deemed not to have met the availability requirements of Iowa Code section 96.4(3).

To be able to work, "[a]n individual must be physically and mentally able to work in some gainful employment, not necessarily in the individual's customary occupation, but which is engaged in by others as a means of livelihood." *Sierra v. Emp't Appeal Bd.*, 508 N.W.2d 719, 721 (Iowa 1993); *Geiken v. Lutheran Home for the Aged*, 468 N.W.2d 223 (Iowa 1991); Iowa Admin. Code r. 871-24.22(1). "An evaluation of an individual's ability to work for the purposes of determining that individual's eligibility for unemployment benefits must necessarily take into consideration the economic and legal forces at work in the general labor market in which the individual resides." *Sierra* at 723. This means that when evaluating whether a person with a protected disability is able and available to work we must take into account the reasonable accommodation requirements imposed on employers under federal, state, and local laws. *Id.*

Claimant is not able and available for work beginning on October 11, 2020. Claimant is still under doctor's care for his injury, and he is not able to work construction jobs. He is self-employed, and he has placed restrictions on his employability as to the wages and type of work that he will accept. Benefits are denied.
