**Original Claim: 09/13/09  
Claimant: Appellant (2)**

Section 96.5-5-b – Workers' Compensation  
871 IAC 24.13(3)d – Temporary Total Disability Compensation

**STATEMENT OF THE CASE:**

The claimant appealed a representative's decision dated October 20, 2009, reference 03, that disqualified him effective the week ending September 19, 2009 due to receiving temporary total disability (TTD). A telephone hearing was held on November 30, 2009. The claimant participated. The employer did not participate. Claimant Exhibit A was received as evidence.

**ISSUE:**

The issue is whether the claimant is receiving TTD workers' compensation.

**FINDINGS OF FACT:**

The administrative law judge, having heard the testimony and having considered the evidence in the record, finds that: The claimant suffered a job-related injury on June 27, 2009, and began receiving TTD workers' compensation. The TTD benefits were terminated September 18, 2009.

The employer failed to respond to the hearing notice.

**REASONING AND CONCLUSIONS OF LAW:**

The administrative law judge concludes that the claimant is eligible for benefits, as his TTD workers' compensation terminated on September 18, 2009.

The claimant ceased receiving TTD and is eligible for unemployment benefits.

**DECISION:**

The decision of the representative dated October 20, 2009, reference 03, is reversed. The claimant is eligible for benefits effective September 13, 2009, due to the termination of his TTD workers' compensation. The claimant is entitled to benefits, provided he is otherwise eligible.
