(Administrative Law Judge)

(Decision Dated & Mailed)

Section 96.4-3 – Active Work Search

STATEMENT OF THE CASE:

The claimant filed a timely appeal from an unemployment insurance decision dated March 2, 2004, reference 02, which issued a warning to the claimant based upon a finding that the claimant had not performed an active work search for the week ending February 28, 2004. After reviewing the claimant's appeal letter and Agency benefit payment records, the administrative law judge concludes that no additional testimony is necessary.

FINDINGS OF FACT:

Having examined all matters of record, the administrative law judge finds: Marilyn R. Lawton made a single job contact during the week ending February 28, 2004. That contact resulted in Ms. Lawton being hired.

REASONING AND CONCLUSIONS OF LAW:

The question is whether the warning should be removed from the claimant's record. It should. Since the claimant's first job contact resulted in the claimant becoming employed, a second job contact would at best be redundant. The warning is removed.

DECISION:

The unemployment insurance decision dated March 2, 2004, reference 02, is reversed. The warning is removed from the claimant's record.
