**ADMINISTRATIVE LAW JUDGE  
DECISION**

**IOWA WORKFORCE  
DEVELOPMENT DEPARTMENT**

**OC: 05/31/09**  
**Claimant: Appellant (1)**

Section 96.4-3 - Able and Available/Work Search

**STATEMENT OF THE CASE:**

The claimant filed a timely appeal from an August 7, 2009, reference 02, decision that found the claimant warned for benefits for the week ending July 25, 2009, because of inadequate in-person work search contacts. After due notice was issued, a hearing was held on August 21, 2009, with the claimant participating.

**ISSUE:**

Whether claimant made adequate work searches.

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant's testimony that appropriate in-person work searches were made is not credible. During the first week in which she filed a telephone claim, claimant made only one job contact. She did not pursue the second contact due to illness.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes that the claimant has not made appropriate in-person work search contacts.

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements

of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant has not demonstrated to the satisfaction of the administrative law judge that appropriate in-person work search contacts were made for the week ending July 25, 2009. Accordingly, the warning stands.

**DECISION:**

The August 7, 2009 reference 02, decision is affirmed. The claimant did not make appropriate in-person work search contacts for the week ending July 25, 2009. The warning stands.
