Claimant

APPEAL NO: 13A-UI-12291-ET

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE
DEVELOPMENT DEPARTMENT**

OC: 06/02/13
Claimant: Appellant (2)

Section 96.4-3 - Adequate Work Search

STATEMENT OF THE CASE:

The claimant filed a timely appeal from the October 29, 2013, reference 01, decision. The decision warned that the claimant may be disqualified for future weeks in which benefits are claimed and fewer than two in-person job contacts are made. After due notice was issued, a hearing was held before Administrative Law Judge Julie Elder on November 26, 2013. The claimant participated in the hearing.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for unemployment insurance benefits with an effective date of June 2, 2013. For the week ending October 26, 2013, the claimant indicated she hit the wrong button on her son's touch screen phone when calling in her weekly claim and answering the question regarding whether she had made at least two job contacts that week. The claimant did make at least two job contacts that week.

ISSUE:

Whether the claimant failed to make an active and earnest search for work?

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements

of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant is obligated to make at least two in-person work searches during each week benefits are claimed. The warning was inappropriate as the claimant did make at least two work searches the week ending October 26, 2013.

DECISION:

The October 29, 2013, reference 01, decision is reversed. The decision warning the claimant to conduct at least two in-person work searches during each week benefits are claimed was inappropriate.
